Comments and Helpful Parking Hints

Parking updates will be provided via the web site (**www.vsuparking.com**). Please check this site weekly. All new parking areas will have the appropriate signage. Students need to be proactive in planning for parking each semester. Plan to arrive an hour earlier to your destination. Walking, riding a bike and car pooling are good examples of how to have a successful parking experience during this period of growth. The Shuttle routes are subject to be altered to accommodate transportation needs.
