Introducing Skillsoft for your online learning needs!

# Skillsoft: VSU's New Web-Based Learning Management System

The Employee and Organizational Development office is pleased to announce a more user-friendly, 100% online learning management system - Skillsoft! We know how difficult it can be to schedule time for face-to-face courses. Now the learning is done at your pace using any web-enabled device! With this new resource you have been provided access to an online learning solution that includes elearning courses, supporting content, and technology designed to enable you to develop new skills and find answers to important questions 24/7. Take a moment to see all that is available for VSU staff, faculty and student employees by logging into https://valdosta.skillport.com/ with your active directory credentials. The single sign-on resource can be reached through the MYVSU portal.
