

Valdosta State University – Bursary Calendar for Summer 2023

Fee Payment Deadlines

To avoid the possibility of class cancellation, student account balances must be paid in full or covered by sufficient authorized financial aid no later than the fee payment deadline. To determine if anticipated financial aid is authorized, please log into the [VSU Online Student Account Center](#) and view the account balance including estimated financial aid. If the anticipated financial aid is not reflected, please contact the [Financial Aid Office](#) for assistance.

Invoices for Term Charges

Invoices are provided electronically as 'Real-time eBill Statements' in the Online Student Account Center. To generate a Real-time eBill Statement:

1. Log into the Online Student Account Center
2. Click Real-time eBill Statement
3. Select the Term
4. Click Submit

Authorized User Access

Students may grant other parties (such as parents or guardians) their own log-in access to the Online Student Account Center. As an Authorized User, an individual is able to make online payments; they can also be granted access to view Real-time eBill Statements, 1098-T tax statements, and payment history/financial account activity.

For questions on how to pay fees and payment types accepted, please view the [How To Pay Fees](#) web page.
