**JOB CODE:** 647X81

### **SUMMARY:**

Performs activities in one or several human resource management fields such as benefits, compensation, on-boarding, personnel research, recruiting, and training.

### **REQUIRED QUALIFICATIONS:**

Bachelor's degree and two (2) years of related work experience.

### **DUTIES & RESPONSIBILITIES:**

**20% Employment and on-boarding**

Perform employee recruitment, screening, interviewing, on-boarding, and orientation functions.

**10% Prepare human resources documents**

Prepare job profiles, benefits brochures, employee handbooks, and other materials as directed.

**20% Maintain and compile data**

Maintain and compile data in human resources information systems.

**10% Employee relations**

Advise employees, supervisors, and managers regarding employee relations policy and programs. Counsel employees and managers regarding work-related issues.

**10% Assist with plans, policies, and procedures**

Assist in the formulation of staffing plans and personnel policies and procedures.

**10% Benefit management**

Perform benefit management functions. Counsel and enroll employees in benefits programs. Maintain benefit records.

**10% Training and risk management**

Administer employee training and risk management functions.

**10% Other duties**

Perform other human resources related functions as assigned.

**FLSA Status:** Non-Exempt

## Information Security Tech II

**JOB CODE:** 466X82

### **SUMMARY:**

Monitor institutional systems for intrusion identification and management of IT security vulnerabilities and threats and manage IT security policies and programs.

### **REQUIRED QUALIFICATIONS:**

Associate's degree in a related area and three (3) years of related work experience.

### **DUTIES & RESPONSIBILITIES:**

#### **30% Implement security measures and controls**

Plan, implement, manage, and coordinate security measures and controls for information systems to regulate access to computer data and prevent unauthorized modification, destruction, or disclosure of information. Develop and implement security plans, projects, systems and initiatives.

#### **20% Risk management analysis**

Perform risk management analysis to identify areas of risk and to develop security measures to prevent losses.

#### **15% Monitor and regulate**

Monitor use of data and regulate access to safeguard data in computer files.

#### **15% Install, maintain, and support**

Install, maintain, and support information security products and services.

#### **10% Technical guidance and support**

Provide technical guidance and support to employees as required. Serve as subject matter expert for IT security-related issues.

#### **10% Coordination**

Works with IT manager, university staff, and vendors in order to provide timely and efficient IT coordination of security services to meet university needs.

**FLSA Status:** Exempt

## Information Security Tech I

**JOB CODE:** 667X81

### **SUMMARY:**

Manage and maintain the university's CCTV system and assist in the provision of security for the university's IT systems.

### **REQUIRED QUALIFICATIONS:**

Associate's degree in a related area and one (1) year of related work experience.

### **DUTIES & RESPONSIBILITIES:**

#### **30% Maintain CCTV systems**

Maintain the university's digital and analog Closed Circuit Television (CCTV) systems including adding replacing, troubleshooting and repairing cameras and DVRs, and managing user accounts and privileges.

#### **20% Coordinate with other university departments**

Work with multiple university departments including academic facilities, and the police, to ensure CCTV needs are met.

#### **20% Monitor IT security infrastructure**

Assist in monitoring IT security infrastructure with a focus on identifying technology threats and vulnerabilities and developing community security awareness outreach initiatives.

#### **20% Install, maintain, and support**

Install, maintain, and support information security products and services.

#### **10% Consulting services**

Perform consulting services relating to the feasibility and application of CCTV usage and changes with external departments, including scoping, physical assessments, engagement with external consultants, and entering work and purchase orders.

**FLSA Status:** Non-Exempt

## Institutional Research Analyst

**JOB CODE:** 648X80

### **SUMMARY:**

Analyze data and provide data-driven advice and reporting for an assigned unit, department, or school.

### **REQUIRED QUALIFICATIONS:**

Bachelor's degree and three (3) years of related work experience.

### **DUTIES & RESPONSIBILITIES:**

**30% Collect and manage data**

Collect, organize, update, and maintain institutional data on students, courses, personnel, and other aspects of the university.

**30% Conduct research and analysis**

Completes ad-hoc research, data collection, and analysis using standard research and statistical methods.

**30% Prepare reports**

Prepare analyses and present findings in narrative and graphic forms in support of decision-making for administrators/campus groups. Prepare or assist in the preparation of reports of external agencies, including accrediting bodies. Prepare other reports as needed.

**10% Provide information**

Provide information to a variety of internal constituents upon requests.

**FLSA Status:** Non-Exempt

## Instructional Designer

**JOB CODE:** 663X85

### **SUMMARY:**

Provides instructional and course design expertise in the development, design, and assessment of strategies and materials to support online and hybrid educational programs.

### **REQUIRED QUALIFICATIONS:**

Bachelor's degree and three (3) years of related work experience.

### **DUTIES:**

**35% Design, implement, and assess**

Design, implement, and assess courses for online and hybrid delivery.

**25% Collaborate with subject-matter experts**

Collaborate with subject matter experts in designing new courses, revising existing courses, and developing learning activities, assessments, and rubrics.

**20% Provide faculty assistance**

Provide faculty assistance in using instructional technologies and pedagogical tools such as embedded learning management system tools, web conferencing platforms, and other tools integrated with the learning management system.

**10% Conduct quality assessment**

Conduct quality assessment for existing and newly developed courses, providing feedback for improvements and revisions.

**10% Develop guides and procedures**

Develop and revise documents, guides, and procedures.

**FLSA Status:** Non-Exempt

## Instructional Tech Specialist

**JOB CODE:** 463X85

### **SUMMARY:**

Coordinate with end-users to promote the effective use of technology in support of teaching and learning.

### **REQUIRED QUALIFICATIONS:**

Bachelor's degree and three (3) years of related work experience.

### **DUTIES:**

**30% Design and deliver training**

Design and deliver effective technical training to faculty, staff, and students on various software packages, including researching new software and computer systems.

**30% User support**

Provide direct and indirect end-user support, including one-on-one computer software assistance.

**25% Develop products**

Develop instructional technology materials and learning products in response to needs and requests. Make recommendations regarding, technology, design, and instructional delivery options.

**15% Develop & disseminate campus communications**

Prepare internal and campus-wide announcements, such as newsletters, emails, website content, social media announcements, etc. for marketing and engagement purposes.

**FLSA Status:** Exempt

Internal Auditor

**JOB CODE:** 431X87

**SUMMARY:**

Perform financial, operational, and/or compliance audits.

**REQUIRED QUALIFICATIONS:**

Bachelor's degree and three (3) years of related work experience.

**DUTIES & RESPONSIBILITIES:**

**35% Analysis**

Analyze records, systems, and processes.

**25% Documentation and reports**

Perform written documentation of work performed and develop related reports.

**25% Interview personnel**

Interview and advise personnel concerning their work and prepare results.

**15% Develop policies and procedures**

Assist in the development and implementation of internal control policies and procedures.

**FLSA Status:** Exempt

## Interpreter

**JOB CODE:** 620X80

### **SUMMARY:**

Provide interpretation, note taking, and other services for students who are deaf or hard of hearing.

### **REQUIRED QUALIFICATIONS:**

Bachelor's degree and three (3) years of related work experience. Educational Interpreter Performance Assessment Test score of 3.5 or higher or passing the National Interpreter Certification Performance exam is required within first year of employment.

### **DUTIES:**

**80% Interpret for students**

Provide ASL/sign language interpreting and related services (e.g. captioning, transcription, notetaking) during VSU academic and co-curricular activities.

**10% Meet with students**

Meet with students regarding disability-related academic and career issues and accommodation planning.

**10% Assist with other department activities**

Assist with department activities (e.g. developing policies, providing training) that will increase accessibility and reduce barriers across campus

**FLSA Status:** Non-Exempt

## Interpretive Serv Coordinator

**JOB CODE:** 487X88

### **SUMMARY:**

Coordinate, supervise, and participate in the provision of services for students who are deaf or hard of hearing.

### **REQUIRED QUALIFICATIONS:**

Bachelor's degree and three (3) years of related work experience. Educational Interpreter Performance Assessment level of 3.5 or higher.

### **DUTIES:**

**40% Interpret for students**

Interpret for students who are deaf for all academic and co-curricular activities.

**30% Meet with students**

Meet with students regarding disability-related academic and career issues and accommodation planning.

**20% Hire, schedule, and supervise**

Hire, schedule, and supervise additional interpreters and note takers.

**10% Prepare reports, maintain records, and prepares schedules**

Prepare reports and maintain records. Coordinate and manage student/staff schedules to ensure the efficient and effective provision of services to students.

**FLSA Status:** Exempt

## Inventory Supervisor

**JOB CODE:** 800X87

### **SUMMARY:**

Supervise and participate in the maintenance and management of university inventories.

### **REQUIRED QUALIFICATIONS:**

Bachelor's degree and over five (5) years of related work experience.

### **DUTIES & RESPONSIBILITIES:**

**30% Conduct inventories**

Conduct physical inventories and directs and supervises others in the completion of inventories. Prepare related reports and maintains related records.

**30% Manage surplus property**

Manage the storage and disposal of surplus property. Coordinate surplus property auctions. Maintains related records.

**15% Supervise staff**

Train, assign, direct, supervise, evaluate, and discipline personnel.

**15% Assist in managing warehouse operations**

Manage overall warehouse operations in the absence of the Manager and as assigned.

**10% Maintain database**

Maintain and update inventory database and related records.

**FLSA Status:** Non-Exempt

## IT Business Analyst

**JOB CODE:** 460X85

### **SUMMARY:**

Manage and support information technology, system, and program projects to ensure initiatives and projects are properly captured and convey the needs of users.

### **REQUIRED QUALIFICATIONS:**

Bachelor's degree and over five (5) years of related work experience.

### **DUTIES & RESPONSIBILITIES:**

- 25% Assess information technology needs**  
Collect information from university faculty and staff about information technology needs and future growth.
- 25% Manage IT projects**  
Manage IT project execution and ensure compliance with budget, schedule, scope, and specifications.
- 20% Evaluate, test, and recommend**  
Evaluate, test and recommend new opportunities for enhancing software, hardware and IT processes.
- 10% Provide project services**  
Assume responsibility for project tasks and ensure they are completed in a timely fashion
- 10% Manage budget**  
Manage and monitor project budgets. Control expenditures.
- 10% Submit deliverables**  
Submit deliverables and develop and execute implementation plans.

**FLSA Status:** Exempt

## Laboratory Technician

**JOB CODE:** 606X80

### **SUMMARY:**

Perform laboratory procedures in order to discover, diagnose, and remedy illness and disease.

### **REQUIRED QUALIFICATIONS:**

Associate's degree specified field and over one (1) year of related work experience. Possession of Medical Technologist License and CPR Certification.

### **DUTIES & RESPONSIBILITIES:**

**60% Perform lab procedures and report results**

Perform lab procedures in a moderately complex lab. Record accurate observations of test results and prepare related reports.

**20% Instrument maintenance**

Perform routine instrument maintenance.

**10% Ensure compliance**

Ensure compliance with OSHA and CLIA guidelines.

**10% Administrative support**

Assists with clerical duties – including answering the phones, keying immunizations, managing pharmacy inventory, entering received medications, checking patients in and out, posting payments, and scanning medical records.

**FLSA Status:** Non-Exempt

Lecturer

**JOB CODE:** 204X72

**SUMMARY:**

Responsible for teaching courses in the candidate's area of expertise.

**REQUIRED QUALIFICATIONS:**

- Master's degree at the time of appointment in the appropriate field (specifics to be added by the department – e.g., specific field/subfield, any required certifications, licenses or expertise needed to do the job)
- Demonstrated commitment to excellence in teaching and learning
- Commitment to diversity and inclusion

**PREFERRED QUALIFICATIONS:**

- A record of effective teaching appropriate to the applicant's career stage
- Ability to work effectively in a collaborative setting
- A record of mentoring students of diverse backgrounds

**DUTIES & RESPONSIBILITIES:**

**100% Teaching and Service**

Teach classes and meets assigned service obligations

**FLSA Status:** Exempt (Professional)

**POSITION OF TRUST:** Yes

## Library Assistant

**JOB CODE:** 510X74

### **SUMMARY:**

Provide services to student, faculty, and other patrons. Provide support for other archives/library functions.

### **REQUIRED QUALIFICATIONS:**

High School Diploma and one (1) year of related work experience.

### **DUTIES:**

**35% Circulation**

Reserve, circulate, renew, and discharge books and other materials to patrons. Manage interlibrary loan requests from patrons and other libraries.

**20% Patron service**

Help patrons locate and use library resources, such as reference materials, audio-visual equipment, computers, and other electronic resources.

**20% Patron accounts**

Update and manage patron records; collect fines and fees.

**15% Catalog and maintain collection**

Catalog and sort books and other materials; repair damaged items; read shelves and shelve materials.

**10% Other duties**

Shelve materials, archives materials processing, install library displays, enforce library rules and regulations, etc.

**FLSA Status:** Non-Exempt

## Library Technical Assistant

**JOB CODE:** 630X80

### **SUMMARY:**

Provide support for a variety of archival/library services as assigned.

### **REQUIRED QUALIFICATIONS:**

High School Diploma and three (3) year of related work experience.

### **DUTIES:**

**35% Coordinate assigned library functions**

Supervise and coordinate assigned functions, including but not limited to: archives, stacks maintenance, material processing, technology services, and circulation activities.

**20% Supervision**

Train, assign, direct, and supervise the work of assigned student workers.

**20% Patron service**

Provide services for student, faculty, and other library patrons. Assist in locating information and materials. Update patron accounts and checks materials in an out.

**15% Technical services**

Provide technical support as related to library catalogs, databases, indexes, and websites. Assist patrons with the use of library technology.

**10% Other duties**

Shelve materials, install library displays, enforce library rules and regulations, etc.

**FLSA Status:** Non-Exempt

Licensed Practical Nurse

**JOB CODE:** 613X85

**SUMMARY:**

Provide nursing care to patients within scope of practice as a Licensed Practical Nurse.

**REQUIRED QUALIFICATIONS:**

Associate's degree and over one (1) year of related work experience. Certification as a Licensed Practical Nurse in State of Georgia and CPR certification required.

**DUTIES & RESPONSIBILITIES:**

**45% Assess, diagnose, and treat**

Assist in the assessment, diagnosis, and treatment of illnesses and injuries.

**20% Manage chronic conditions**

Assists Physician and Nurse Practitioners/Physician Assistants in providing care to patients with chronic conditions.

**15% Documentation and charting**

Document and chart patient information for delegating physician analysis and review. Maintain confidential records.

**10% Vaccinations and preventive care**

Provide student vaccinations and other preventive care services.

**10% Education**

Participate in the delivery of health education to students, faculty, and staff.

**FLSA Status:** Non-Exempt

## Mail Worker II

**JOB CODE:** 810X52

### **SUMMARY:**

Performs mail worker duties and leads other mail workers in assigned work.

### **REQUIRED QUALIFICATIONS:**

High school diploma and three (3) year of related work experience. Must possess a valid driver's license.

### **DUTIES & RESPONSIBILITIES:**

**40%    Lead mail workers**

Leads, guides, and/or trains mail workers in applicable procedures and techniques; and ensures proper practices in the preparation, sorting, and delivery of mail.

**30%    Sort and prepare mail**

Sort incoming mail by box section, department, and route. Bundle mail for delivery.

**20%    Deliver and collect mail**

Deliver mail to departments. Collects outbound and campus mail from each department.

**10%    Maintain records**

Maintain related records, including departmental postal charges.

**FLSA Status:** Non-Exempt

Mail Worker I

**JOB CODE:** 810X51

**SUMMARY:**

Sort and process mail and packages. Deliver mail and packages to university buildings and facilities.

**REQUIRED QUALIFICATIONS:**

High school diploma and one (1) year of related work experience. Must possess a valid driver's license.

**DUTIES & RESPONSIBILITIES:**

**20% Prepare outgoing mail**

Weigh, rate, classify, and affix postage to outgoing and departmental mail and packages. Process parcels and next day shipments with appropriate paperwork. Prepare 1st Class Presort and non-profit standard mailings.

**30% Sort and prepare mail**

Deliver mail to departments. Collects outbound and campus mail from each department.

**20% Deliver and collect mail**

Design and/or coordinate the design of construction projects.

**10% Ship and receive packages**

Ship and receive USPS, UPS, and FedEx, packages.

**10% Special pick-up and delivery**

Perform special pick-up and delivery as needed

**10% Maintain records**

Maintain related records, including departmental postal charges.

**FLSA Status:** Non-Exempt

## Maintenance Foreperson

**JOB CODE:** 805X68

### **SUMMARY:**

Lead, coordinate, plan, and participate in specialized maintenance work in the areas of carpentry, locksmithing, and painting on buildings and facilities.

### **REQUIRED QUALIFICATIONS:**

High school diploma and five (5) years of related work experience. Must possess a valid driver's license.

### **DUTIES & RESPONSIBILITIES:**

#### **20% Inspect, plan, and assign**

Plan skilled carpentry, maintenance, painting, and locksmithing projects by reviewing work order requests, maintenance requests and other related items; reads and interprets work order and/or project blueprints, drawings, and instructions; and inspects completed work for conformance with specifications and adherence to safety rules.

#### **20% Train, coordinate, and communicate**

Train and monitor work of assigned personnel; make recommendations and investigate problems to ensure that carpentry, maintenance, painting, and locksmithing work is completed according to the parameters of the project; interact with faculty, staff, and students on the status of work order requests.

#### **20% Carpentry, painting, and locksmithing services**

Performs skilled carpentry, painting, and locksmithing projects by applying paints and stains using paint brushes, rollers, and/or sprayers; framing, installing, and repairing items such as cabinets, ceilings, doors, partitions, stairs, walls, and windows by using carpentry tools; and installing and replacing lock controls and sets (including hardware).

#### **20% Preparation**

Prepares carpentry, painting, and locksmithing projects by determining equipment and material requirements; secures materials, supplies, and equipment, and prepares work area for maintenance services in accordance with trade practices and safety standards.

#### **20% Process documents**

Process work orders, purchase orders, and invoices.

**FLSA Status:** Non-Exempt

## Maintenance Supervisor

**JOB CODE:** 455X69

### **SUMMARY:**

Supervise employees providing carpentry, locksmithing, maintenance, and painting services for University buildings, facilities, and equipment.

### **REQUIRED QUALIFICATIONS:**

Associate's degree and five (5) years of related work experience. Must possess a valid driver's license.

### **DUTIES & RESPONSIBILITIES:**

**25%    Oversee work order assignments**

Reviews incoming work orders, prioritizes work, assigns work to workers, and follows up to ensure completion.

**25%    Inspect and prioritize**

Inspect facilities to identify maintenance and repair needs. Prioritize and coordinate work.

**20%    Supervise personnel**

Train, assign, direct, supervise, evaluate, and recommend the discipline of personnel.

**20%    Coordinate preventative maintenance**

Coordinate, supervise, and perform preventative maintenance in accordance with established schedules and protocols.

**10%    Coordinates procurement and equipment maintenance**

Coordinate the procurement of equipment, parts, tools and supplies. Coordinate the maintenance of tools and equipment.

**FLSA Status:** Exempt

## Maintenance Worker II

**JOB CODE:** 810X62

### **SUMMARY:**

Performs specialized maintenance work in the areas of carpentry, locksmithing, and painting on buildings and facilities.

### **REQUIRED QUALIFICATIONS:**

High school diploma and three (3) years of related work experience. Must possess a valid driver's license.

### **DUTIES & RESPONSIBILITIES:**

**40% Carpentry, painting, and locksmithing services**

Performs skilled carpentry, painting, and locksmithing projects by applying paints and stains using paint brushes, rollers, and/or sprayers; framing, installing, and repairing items such as cabinets, ceilings, doors, partitions, stairs, walls, and window by using carpentry tools; and installing and replacing lock controls and sets (including hardware).

**20% Preparation**

Prepares carpentry, painting, and locksmithing projects by determining equipment and material requirements; secures materials, supplies, and equipment, and prepares work area for maintenance services in accordance with trade practices and safety standards.

**15% Maintain tools, supplies, and equipment**

Maintains and repairs carpentry, painting, and locksmithing tools and equipment; and complies with environmental and safety regulations concerning the disposal and storage of chemicals and materials common to carpentry, painting, and locksmithing.

**15% Lead maintenance groups**

Leads, guides, and/or trains maintenance workers in applicable procedures and techniques; ensures proper care in the use and maintenance of equipment and supplies; monitors workplace safety and environmental practices.

**10% Process documents**

Process work orders, purchase orders, and invoices.

**FLSA Status:** Non-Exempt

## Maintenance Worker I

**JOB CODE:** 810X61

### **SUMMARY:**

Performs general maintenance and painting work on buildings and facilities that are not complex enough to require specialized training or experience.

### **REQUIRED QUALIFICATIONS:**

High school diploma and one (1) year of related work experience. Must possess a valid driver's license.

### **DUTIES & RESPONSIBILITIES:**

**25% Install and repair**

Install, modify, paint or repair walls, ceiling tiles, doors, chalk and dry erase boards, signage, etc.

**25% Assist with construction**

Assist with the construction of stud walls, door/window frames, ceilings, floors, furniture, and trim.

**25% Preventative maintenance**

Perform preventative maintenance in accordance with established schedules and protocols.

**15% Maintain tools and equipment**

Maintain and repair tools and equipment used in the performance of maintenance and repair functions.

**10% Process documents**

Process work orders, purchase orders, and invoices.

**FLSA Status:** Non-Exempt

Manager

**JOB CODE:** 315X88

**SUMMARY:**

Manage and coordinate the operations of a unit or initiative of the university.

**REQUIRED QUALIFICATIONS:**

Bachelor's degree in a specified field and three (3) years of related work experience. Professional licensure, certification, and/or designation may be required in some areas.

**DUTIES & RESPONSIBILITIES:**

**30% Supervision of personnel**

Supervise personnel, which includes work allocation, training, promotion, enforcement of internal procedures and controls, and problem resolution; evaluates performance and makes recommendations for personnel actions.

**15% Manage and participate**

Manage and participate in the daily operations of an assigned unit.

**15% Implementation**

Develop or assist with the implementation of policies and procedures, systems, and processes.

**15% Researches new trends and developments**

Research new trends and developments; presents recommendations as required.

**10% Participate in planning and goal setting**

Participate in the development, implementation and maintenance of short-and long-range plans and goals.

**10% Develop and implement projects and programs**

Develop and implement projects and programs to assist in accomplishment of established goals.

**5% Department representative**

Represent the department at various meetings, and committees; promote existing and new programs and/or policies.

**FLSA Status:** Exempt (Administrative)

Materials Clerk

**JOB CODE:** 510X84

**SUMMARY:**

Receive, store, and issue university property.

**REQUIRED QUALIFICATIONS:**

High school diploma and one (1) year of related work experience.

**DUTIES & RESPONSIBILITIES:**

**25% Process transactions and maintain records**

Process fleet and property transactions and maintain related records. File completed records, process monthly reports, and process and file receipts.

**25% Maintain inventory**

Prepare listings of property, including description, quantity, government acquisition cost, nomenclature, size, serial number, weight, and method of packing supplies.

**25% Receive, store, and stock property**

Receive deliveries of supplies and equipment. Verifies shipping documents against invoices and other data. Store and stock property.

**25% Issue property**

Issue, load, and transport materials and supplies to departments. Maintain related records.

**FLSA Status:** Non-Exempt

## Medical Technologist

**JOB CODE:** 481X85

### **SUMMARY:**

Supervise and perform laboratory procedures in order to discover, diagnose, and remedy illness and disease and provide support for day-to-day laboratory operations.

### **REQUIRED QUALIFICATIONS:**

Bachelor's degree in specific field and three (3) years of related work experience. Possession of Medical Technologist License and CPR Certification.

### **DUTIES & RESPONSIBILITIES:**

**45% Perform lab procedures and report results**

Perform lab procedures in a moderately complex lab. Record accurate observations of test results and prepare related reports.

**15% Equipment and supply management**

Maintain, order, and approve payment for lab and medical supplies. Oversee the maintenance of lab equipment.

**10% Manage fee system**

Manage outpatient lab fee system.

**10% Hazardous waste management**

Collect, prepare, and follow-up all hazardous waste generated.

**10% Compliance and quality assurance**

Maintain quality assurance through proficiency testing. Maintain laboratory compliance with OSHA guidelines and infectious control procedures.

**10% Supervise**

Supervise and manage day-to-day laboratory operations.

**FLSA Status:** Exempt

## Network Operations Manager

**JOB CODE:** 336X88

### **SUMMARY:**

Administer the design, development, and management of the university's enterprise network and wireless network systems.

### **REQUIRED QUALIFICATIONS:**

Bachelor's degree and over five (5) years of related work experience.

### **DUTIES & RESPONSIBILITIES:**

**35% System development and expansion**

Provide leadership for and assist in the expansion of networking systems in order to support the information technology infrastructure and strategic goals of the university.

**20% Manage personnel**

Lead network professionals to provide highly reliable and sustainable enterprise network and wireless network services to the university.

**15% Policy development and enforcement**

Develop and ensure compliance with networking policy and procedures.

**15% Resolve issues**

Provide expert assistance, guidance, and coordination to troubleshoot and resolve enterprise and wireless network issues quickly and efficiently.

**15% Coordinate work with others**

Work closely with IT leadership and departments in project and strategic planning processes.

**FLSA Status:** Exempt

## Network Services Engineer

**JOB CODE:** 464X87

### **SUMMARY:**

Plan, deploy, and manage the university's wired and wireless network.

### **REQUIRED QUALIFICATIONS:**

Bachelor's degree and over five (5) years of related work experience.

### **DUTIES & RESPONSIBILITIES:**

**40% Design, engineer, and maintain**

Design, engineer and maintain datacenter network infrastructure and campus network infrastructure.

**20% Collaboration**

Collaborate with personnel for the Data Center management.

**20% Special projects**

Perform special projects and assist areas of the campus with network planning and resourcing.

**10% Documentation**

Documents different projects and tickets for future reference.

**10% Mentor and guide**

Mentor and guide network staff.

**FLSA Status:** Exempt

## Network Services Tech III

**JOB CODE:** 464X83

### **SUMMARY:**

Responsible for network connectivity, setup, and maintenance, and for remote VPN connections, network security (firewall protection), as well as Wi-Fi connectivity.

### **REQUIRED QUALIFICATIONS:**

Bachelor's degree and over three (3) years of related work experience.

### **DUTIES & RESPONSIBILITIES:**

**20% Network connectivity**

Diagnose, troubleshoot, and resolve network connectivity issues.

**20% Coordinate and lead**

Coordinate and lead the work of assigned workers engaged in the provision of network services.

**20% Network setup and maintenance**

Maintain and administer computer networks and related computing environments, including hardware, software, and configurations.

**20% Remote VPN connections**

Provide support and resolve problems with remote computer networks.

**10% Network security**

Analyze network security risks in order to prevent and resolve network security risks.

**10% Wi-Fi Connectivity**

Maintain and resolve issues of wireless networks.

**FLSA Status:** Exempt

## Network Services Tech II

**JOB CODE:** 464X82

### **SUMMARY:**

Provide network services support for the university data network and the campus wireless network.

### **REQUIRED QUALIFICATIONS:**

Bachelor's degree and over one (1) year of related work experience.

### **DUTIES & RESPONSIBILITIES:**

**20% Maintain and administer**

Maintain and administer computer networks and related computing environments, including hardware, software, and configurations.

**20% Data back-up and recovery**

Perform data back-up and disaster recovery operations.

**20% Diagnose, troubleshoot, and resolve**

Diagnose, troubleshoot, and resolve hardware, software, or other network problems.

**20% Monitor network performance**

Monitor network performance to determine whether or not adjustments need to be made. Research and recommend upgrades to improve performance.

**20% Customer support and vendor relations**

Provide support and resolve problems for end-users. Maintain relationships with vendors in order to identify and resolve problems.

**FLSA Status:** Exempt

## Network Services Tech I

**JOB CODE:** 464X81

### **SUMMARY:**

Provide support to the university data network and the campus wireless network.

### **REQUIRED QUALIFICATIONS:**

Associate's degree and over one (1) year of related work experience.

### **DUTIES & RESPONSIBILITIES:**

**30% Maintain and administer**

Maintain and administer computer networks and related computing environments, including hardware, software, and configurations.

**30% Customer support**

Provide support and resolve data network and wireless network problems for end-users. Escalate more complex issues to supervisor.

**30% Monitor network performance**

Monitor network performance to determine whether or not adjustments need to be made.

**10% Professional development**

Develop proficiency in providing networking support services through professional development and training opportunities.

**FLSA Status:** Exempt

## Nurse Practitioner or Physician Assistant

**JOB CODE:** 482X86

### **SUMMARY:**

Provide primary health care and nursing services to students within scope of practice as a Nurse Practitioner/Physician Assistant.

### **REQUIRED QUALIFICATIONS:**

Completion of master's degree as a nurse practitioner or physician assistant and two (2) years related work experience. Certification as an advanced practice nurse with an active license as a Nurse Practitioner or a Physician Assistant in the State of Georgia.

### **DUTIES & RESPONSIBILITIES:**

**45% Assess, diagnose, and treat**

Assess and diagnose patients. Treat acute illnesses and injuries. Prescribe medication and other treatment options. Refer patients to external health care providers as appropriate.

**20% Manage chronic conditions**

Provide care to patients with a variety of chronic health conditions. Coordinate treatment plans with delegating physicians.

**15% Documentation and charting**

Document and chart patient information for delegating physician analysis and review. Maintain confidential records.

**10% Supervision**

Supervise the work of assigned nursing and clerical staff.

**10% Education**

Coordinate and deliver health education to students, faculty, and staff.

**FLSA Status:** Exempt

## Operations Supervisor

**JOB CODE:** 317X86

### **SUMMARY:**

Lead a team within a unit to accomplish daily operations that support the mission of the department and university.

### **REQUIRED QUALIFICATIONS:**

Bachelor's degree and three (3) years of related work experience.

### **DUTIES & RESPONSIBILITIES:**

**50%    Manage and assign**

Assign projects and tasks to team. Manage workloads and track time spent on projects and tasks. Supervise personnel to accomplish day-to-day operations of assigned functions.

**20%    Enhance quality of services**

Assess quality of services provided. Recommend improvements to processes and services. Implement improvements and train employees in best practices.

**15%    Facilitate service continuity**

Facilitate cross-training and dissemination of institutional and professional knowledge for service continuity.

**15%    Compliance**

Interact with federal, state, local, and professional entities to ensure compliance with appropriate statutes and regulations.

**FLSA Status:** Exempt

## Payroll Assistant II

**JOB CODE:** 634X82
