1. 2 sidebar page option available	1. 1 sidebar page only
2. Navigation and Contact info on left	2. Navigation and Contact info on right
3. Ad button options available to change Button color and add an Image to Buttons	3. No option to add Button Image or change Button color (Buttons are grayscale by default)
4. Related resources are shown on left sidebar	4. Related Resources are no longer available
5. Our team profile lists information in columns	5. Our team profile now lists information in "cards" that link directly to a profile for that user
6. Basic information is available in Our Team detailed profiles	6. A field for biographies is now available in Our Team detailed profiles

New Features and Templates

- All **2 sidebar pages** are now 1 sidebar pages (the option to create a 2 sidebar page has been removed)
 - Ad buttons can now be found on the right sidebar along with the navigation and contact info. The option to add a Button Image or change the Button color are no longer available
 - Related Resources are no longer available

What's New on VSU's Website?

Page 2 of 2

Rev. 7/15/2016

- The **Our Team** page displays information such as a profile picture, name, title, phone number and email address in “cards” that link directly to a profile for that user
 - Our Team detailed profiles now have a field for biographies
- The options for “Long Department Name” and “Department Header Image” are no longer available.
- Hours of Operation are automatically set to the university’s normal hours unless manually changed

Features Only Managed by Web Services

- There are Audience Links in the gray bar at the bottom of the page. These are chosen based on the specific audience your department attracts and are located in the _info file. In order for your department to add links to this area, you will need to contact Digital Media Services/Creative Services/Web Services.
- Academic Landing Pages will be managed by Web Services only.
- Academic Program Pages listing information for each program/minor/concentration at VSU will be managed by Web Services but can be updated by departments by contacting Web Services.
