Petition for Classification of Students for Tuition Purposes

Overview

University System of Georgia students are responsible for registering under the appropriate tuition classification. Students who have been classified as out-of-state for tuition purposes and believe they are entitled to be classified as in-state for tuition purposes may petition the institution for a change of status.

Prior to completing this petition, students should carefully review these instructions. For more information about the classification of students for tuition purposes, students should review Section 4.3.2 of the Board of Regents Policy Manual, Classification of Students for Tuition Purposes found online at http://www.usg.edu/policymanual/section4/policy/4.3_student_residency/.

Some students not eligible to be classified as in-state for tuition-purposes may be eligible for an out-of-state tuition waiver. For more information on the available out-of-state tuition waivers, students should review Section 7.3.4.1, Out-of-State Tuition Waivers, found online at http://www.usg.edu/policymanual/section7/policy/7.3_tuition_and_fees/#p7.3.4_out-of-state_tuition_waivers_and_waivers_of_mandatory_fees.
