Instructions for scheduling online appointments with VSU tutors

Dear students,

As we move to fully online instruction and other services, I want to share with you some simple steps for accessing our VSU tutors within the online portal.

See below for the steps to schedule an appointment followed by the instructions for accessing an appointment that has been scheduled.

Be aware that VSU tutors will be available online beginning on March 30, 2020. Thinking Storm online tutors are available now.

If you have questions, feel free to email me.

Thank you.

Dr. Terence Sullivan
