

## BIOL 4000/6000 – Ethnobotany

## Summer Session I – Maymester 2022

---

CRN 53200/53251

Instructor: Dr. Carter

Office: BC 1105

Herbarium: BC 1040

Telephone: (229) 333-5338

e-mail: Please use the mail tool in BlazeVIEW.

Office Hours: BC 1040 (or BC 1105); Mon – Fri 11:00

AM–12:15 PM; other times by appointment

---

### Weekly Course Schedule

Monday	Lec	8:00–10:50 AM, BC 1024
Tuesday	Lec	8:00–10:50 AM, BC 1024
Wednesday	Lec	8:00–10:50 AM, BC 1024
Thursday	Lec	8:00–10:50 AM, BC 1024
Friday	Lec	8:00–10:50 AM, BC 1024

### Course Description

Pre-requisite: Completion of Core Area D. A survey of the use of plants by humans, including the significance of plants in sustaining human life, the diversity, origins, and history of plant uses, the origins of agriculture, and the roles of science and technology in enhancing agricultural production. [3-0-3]

Lecture contact: 170 mins X 15 lectures = 2550 mins

Credit: 3 semester hrs

### Assessment of Learning

- Three examinations will be given.
- Various miscellaneous assessments will be given.

### Required Text

- Simpson, B.B. and M.C. Ogorzaly. 2014. *Plants in our World*, 4<sup>th</sup> Ed., McGraw-Hill, New York. 529 pp.

### Miscellaneous Required Items

- Pencils or pens for recording notes, etc.
- Notebook

**Attendance and punctuality.** Regular attendance and punctuality are expected. The student is responsible for all material missed, regardless of the reason for absence. Students arriving late for class should enter the lecture room quietly and take the nearest seat to avoid disruption. Attendance will normally be taken at the beginning of the period. Students who arrive after the roll is called or after quizzes are taken are counted absent unless they inform their instructor immediately after class of their tardiness. It is the student's responsibility to inform the instructor of her/his tardiness. Each three cases of tardiness will be counted as one absence, and cases of tardiness will be counted as absences thusly, unless a satisfactory explanation is provided to the instructor by the student. It is the instructor's prerogative to have the explanation in writing. Any scheduling problems or other extenuating circumstances necessitating chronic tardiness should be explained to the instructor in writing and properly documented at the beginning of the semester. In order to have an absence excused, the student must provide a written explanation with proper documentation immediately upon returning to class. Providing an explanation of absence or tardiness by the student does not insure that the absence or tardiness will be excused. The instructor shall determine the validity of all excuses. Students arriving more than 20 minutes late will normally be counted as absent. Students departing from lecture early, without permission in advance, will normally be counted as absent. Students absent from more than 20% of the regularly scheduled lecture periods are subject to failure in the course, as detailed under Absence Regulations in the VSU Undergraduate Catalog. It is the instructor's prerogative to deduct points from the final grade for excessive unexcused absence and tardiness.

**BlazeVIEW D2L.** A variety of course resources and materials will be made available through BlazeVIEW, and it will also be used to post announcements and grades and to administer assignments and assessments. Students should log onto BlazeVIEW daily in order to check for course announcements. Also, the Mail tool in BlazeVIEW provides a convenient means for students to contact their instructor and one another, and it should always be used to

communicate about matters relating to the course. BlazeVIEW may be accessed via the link at the top of the MyVSU page. Students experiencing difficulties using BlazeVIEW should seek assistance through the VSU Information Technology HELP-Desk in Odum Library (telephone 245-4357).

**Examinations.** Three unit examinations will be given during the semester, one of these prior to midterm. The exam dates are posted in the course schedule. Each of these exams accounts for 250 points in determining the overall course grade. The third unit examination will be given during the final examination period. Students should anticipate any personal needs and tend to them prior to the exam period: Students are not allowed to leave the lecture room while the exam is in progress before submitting their completed exam to the instructor.

**Miscellaneous assessments.** A number of miscellaneous assessments will be given during the semester. These may include unannounced pop quizzes, scheduled quizzes, or other assignments. Normally, a short quiz covering content of the previous day's lesson will be given at the beginning of each scheduled lecture period. Students arriving late will not be given extra time to complete these quizzes, and no make-up quizzes will be given. Any additional assessments that are given spontaneously and completed during the scheduled lecture period cannot be made up. Some assessments may also be given through BlazeVIEW. Collectively miscellaneous assessments account for 250 points in determining the overall course grade.

**Graduate credit.** Students registered for BIOL 6000 credit will be required to complete and submit a term project for grading (200 points) and will from time-to-time assist the instructor in administering assessments. Graduate students should meet with their instructor during the first week of the semester to discuss their project assignments.

**Grading.** If a student thinks an error has been made in grading an examination, quiz, or any other assignment, s/he should communicate about this directly with the instructor *within one week* of the instructor's returning the graded examination, quiz, assignment, or assessment, or releasing its grade electronically. The final course average is calculated as follows.

**BIOL 4000**

A = 900-1000 points  
B = 800-899 points  
C = 700-799 points  
D = 600-699 points  
F = <600 points

Allocation of points:

Exam 1	250 points
Exam 2	250 points
Final Exam	250 points
Miscellaneous assessments	250 points
Total	1000 points

**BIOL 6000**

A = 1100-1200 points  
B = 1000-1099 points  
C = 900-999 points  
D = 800-899 points  
F = <800 points

Allocation of points:

Exam 1	250 points
Exam 2	250 points
Final Exam	250 points
Miscellaneous assessments	250 points
Term project	200 points
Total	1200 points

Meeting the minimum point requirement for a letter grade does not necessarily assure that the student will receive that grade. Assignment of the final grade is the prerogative of the instructor and will be based upon each individual student's overall performance, including patterns of consistency, trends toward improvement, and positive attitude as shown through attendance, participation, and cooperation.

**Class conduct.** Students are expected to comport themselves courteously at all times during lecture. Disruptive behavior will not be tolerated, and students behaving in a disruptive manner will be asked to relinquish their VSU student identification card and will be removed from class and referred to the Dean of Students for disciplinary action. Refer to the Student Code of Conduct, Appendix A in the VSU *Student Handbook*. Consumption of food or drink (including water) is prohibited in the lecture room. Students should be punctual for all scheduled lecture

meetings, and, except in situations of emergency, students should not depart from lecture before being dismissed. Students are to direct their full attention to lecture and are to refrain from unwarranted discourse. Behavior contrary to these guidelines is disruptive. Disruptive behavior will result in deduction of points from the final grade.

**Use of cellular telephones, pagers, digital cameras, and other such communication devices.** Use of cellular telephones, pagers, or any similar communication device or digital camera is prohibited during lecture, examinations, or quizzes, unless expressly authorized by instructor. If students bring cellular telephones or any other similar devices to lecture, it is their responsibility to switch them off prior to the beginning of the lecture period. Ringing, buzzing, or any other sounds emitted from such devices will be treated as disruptive behavior on the part of the owner/possessor.

**Academic integrity.** Students are encouraged to work together and to learn from one another in an appropriate manner. Cooperation between students is especially encouraged in study outside of class. However, students should bear in mind that most work ultimately must be done individually and independently. All examinations, tests, and quizzes are given to students individually and are to be completed independently. Cooperation by students on quizzes, tests, or examinations is prohibited and constitutes cheating. Unless otherwise indicated, quizzes, tests, and examinations are taken strictly from memory without use of textbooks, notes, cell phones, headphones, or other communication devices. Unless otherwise indicated, assignments and assessments are to be completed individually and independently. Behavior contrary to these guidelines is prohibited and constitutes cheating. Plagiarism and cheating will not be tolerated and will be prosecuted to the full extent allowed by University policy and the law.

**Title IX Statement.** Valdosta State University (VSU) is committed to creating a diverse and inclusive work and learning environment free from discrimination and harassment. VSU is dedicated to creating an environment where all campus community members feel valued, respected, and included. Valdosta State University prohibits discrimination on the basis of race, color, ethnicity, national origin, sex (including pregnancy status, sexual harassment and sexual violence), sexual orientation, gender identity, religion, age, national origin, disability, genetic information, or veteran status, in the University's programs and activities as required by applicable laws and regulations such as Title IX. The individual designated with responsibility for coordination of compliance efforts and receipt of inquiries concerning nondiscrimination policies is the University's Title IX Coordinator: Maggie Viverette, Director of the Office of Social Equity, [titleix@valdosta.edu](mailto:titleix@valdosta.edu), 1208 N. Patterson St., Valdosta State University, Valdosta, Georgia 31608, 229-333-5463.

**Students with disabilities.** Students with disabilities who are experiencing barriers in this course may contact the Access Office for assistance in determining and implementing reasonable accommodations. The Access Office is located in Farbar Hall. The phone numbers are 229-245-2498 (V) and 229-375-5871 (VP). For more information, please visit VSU's Access Office.

**Student Opinion of Instruction (SOI).** At the end of the term, students are expected to complete an online SOI survey through SmartEvals. Students will receive email notification through their VSU email addresses when the SOI is available, generally at least one week before the end of the term. SOI responses are anonymous, and instructors and administrators will be able to access the results only after final grades have been submitted. Students who withdraw or drop a course will also be sent invitations to complete the Dropped Course Survey. Complete information about the SOIs, including how to access the survey, is available on the [SOI Procedures webpage](#).

## Tentative Course Outline

---

### Week of May 12

Thurs., May 12, *First Class Day* – Introduction to Course; Chapt. 1, Plants in Our World

Fri., May 13 – Chapt. 2, Origins of an Agricultural Way of Life; Chapt. 3, Human Manipulation of Plants

### Week of May 16

Mon., May 16 – Chapt. 4, Fruits & Nuts of Temperate Regions; Chapt. 5, Fruits & Nuts of Warm Regions

Tues., May 17 – Chapt. 6, Old World Grains; Chapt. 7, New World Grains & Forage Grasses

Wed., May 18 – **Exam 1 – Chapters 1–7**; Chapt. 8, Legumes

Thurs., May 19 – Chapt. 9, Food from Stems & Leaves

Fri., May 20 – Chapt. 10, Foods from Roots, Tubers & Rhizomes

### Week of May 23

Mon., May 23, *Midterm* – Chapt. 11, Vegetable Oils & Waxes; Chapt. 12, Hydrocolloids, Elastic Latexes & Resins

Tues., May 24 – Chapt. 13, Herbs, Spices & Perfumes

Wed., May 25 – Chapt. 14, Medicinal Plants

Thurs., May 26 – **Exam 2 – Chapters 8–14**; Chapt. 15, Psychoactive Drugs & Poisons from Plants

Fri., May 27 – Chapt. 16, Stimulating Beverages; Chapt. 17, Alcoholic Beverages

### Week of May 30

Mon., May 30, *Memorial Day Holiday (no classes)*

Tues., May 31 – Chapt. 18, Fibers, Dyes & Tannins

Wed., June 1 – Chapt. 19, Wood, Cork & Bamboo; Chapt. 20, Ornamental Plants

Thurs., June 2, *Last Class Day* – Chapt. 21, Future Trends

Fri., June 3 – **Final Exam – 8:00–10:00 AM – Chapters 15–21**
