

Principles of Biology Lab II - BIOL 1108L (Spring, 2023) Section C (CRN: 24679)

1. Course Information

- Hours of credit: 1
- Lab location and time: Bailey Science Center 1073
- Time: 2:00 pm - 4:50 am, Tuesday

2. Instructor Information

- Instructor name: Dr. Jonghoon Kang
- Instructor contact: BC 2217, 229-333-7140, jkang@valdosta.edu
- Instructor office hours: **Wednesday 2:00 PM - 4:00 PM or by appointment**

3. Course Description

Required materials

- Laboratory Manual – Grove, T.J. Biology Lab Manual. Great River Learning, ISBN 9781680750201, available from the bookstore or publisher at Great River Learning (GRL). <https://www.greatriverlearning.com/product-details/919> Note: You must register for the online lab manual using the access code from the bookstore or directly with publisher on their website. Students can purchase and register at www.grlcontent.com.
- CliffsNotes Math Review for Standardized Tests 3rd Edition (ISBN-13: 9780544631021)
- BlazeView
- **Lab Notebook (Why? There are several reasons that we will talk about)**

4. Lab Conduct (Policies)

- Arrive on time. Students who miss **two labs** without an excuse or **three labs total** cannot receive a lab grade above a "D" (60%). Attendance will be recorded using the lab quiz, which will be given the **first 15 minutes** of the lab. So, **please be on time**. In the event that a student misses a lab with an excuse, s/he should email the instructor within 24 hours of the missed lab. Excused absences are usually given for medical emergencies and documentation must be provided; the professor determines whether or not an absence is "excused" or not. Students are still responsible for all lab content even if they received an excused absence.

- No eating or drinking in the lab.

- Students must take care of lab equipment. Notify the professor if something is not working properly or if something breaks during the course of the lab.

- Each student will be assigned a **microscope**. It is the student's responsibility to properly use the microscope. After lab the professor will check each scope to make sure that it was put away properly. Failure to do so will result in one point being subtracted from the student's final lab points. Notify the professor if your microscope is not functioning properly.

- Cell phones are not allowed to be used in lab with the exception of using them as timers or cameras to take pictures of data when necessary.

- Email: Please email me only from a VSU email account. I am unable to respond to emails from non-VSU accounts.

-Academic integrity is the responsibility of all VSU faculty and students. Students are responsible for knowing and abiding by the Academic Integrity Policy as set forth in the Student Code of Conduct and the syllabus. All students are expected to do their own work and to uphold a high standard of academic ethics. **Cheating** (including plagiarism) will not be tolerated. The instructor reserves the right to dismiss you from the course without credit if you are caught cheating. You will be respectful of your instructor and your fellow students at all times, or you will be dismissed from the class and potentially the course.

- **Print out this syllabus and keep it in your lab notebook.**

5. Lab Assignments and Evaluation Policy

Throughout the semester lab assignments will be given. Due dates of these assignments are shown in the lab schedule table in this syllabus.

12 quizzes (120) + Two Lab Practical Tests (200) + Online Pre- and Post-Lab quizzes (100) + Final (100) = 520.

Lab quizzes. There will be a 10-point quiz at the beginning of each lab session, so do not be late for lab! If there is an error with your quiz grade you must contact me on the week the quiz is given, as grades will become final by the following week. If you miss taking quizzes for any reason, there is an opportunity for you to make up them. However, you will get a **credit of 70% of your scores from make-up quizzes** unless you provide me official documents to excuse your failure to take the quizzes at the scheduled time.

Grading criteria

A ≥ 90 ; **B** ≥ 80 ; **C** ≥ 70 ; **D** ≥ 60 ; **F** < 60

How to study? (The followings are my suggestions)

Quizzes: You need to study the assigned pages of the math book. All quiz questions will be from the book with modifications of using different numbers in questions. Closed book and closed notebook without calculators.

Lab Practical: Most questions will be from the pre-tests and post-tests. Some questions will be from my PowerPoint. **No memorization please.** Of course, if you still want to memorize something, that is fine. But I do not recommend it. If you think you need to memorize something, record them in your lab notebooks and you can use your own lab notebooks in taking the Practical tests.

Pre-Lab and post-Lab tests: We will discuss these in lab. But basically you can use any resources. Even you may form a study group to prepare for the exam. But you need to answer all the questions by yourself. If some of the questions looks important, take notes of them in your lab notebooks so that you can use them when you take Lab Practical tests.

Final: All final questions will be from your quizzes with some modifications. Therefore, it is very important to study the math book every week, because it is practically impossible to learn math at the last moment. Close book and close notebooks without calculators.

Why Math?

Because mathematics is fundamental for all science including biology. Second reason is mathematics is an important topic in most standardized exam such as MCAT. <https://students-residents.aamc.org/prepare-mcat-exam/whats-mcat-exam>

Math without a calculator

<https://www.princetonreview.com/med-school-advice/mcat-math>

How to study math?

Self-study. You are required to study one page of the book per day (see the schedule). In the following week you will be tested for the contents.

If you have problems in studying math

Schedule a tutoring appointment with the Academic Support Center. <https://www.valdosta.edu/asc/>
When you sign up, make sure you sign up for an appointment for MATH1111.

If you need further help, see me during my office hours.

Outcome

You will be well prepared with skills in Algebra and you will be ready to study Trigonometry or Precalculus. In addition, you will be better prepared to do research with me.

6. Additional Statements

Accommodations Statement

Students with disabilities who are experiencing barriers in this course may contact the Access Office (<https://www.valdosta.edu/student/disability/>) for assistance in determining and implementing reasonable accommodations. The Access Office is located in University Center Room 4136 Entrance 5. The phone numbers are 229-245-2498 (V), 229-375-5871. For more information, please visit VSU's Access Office or email: access@valdosta.edu. To request reasonable accommodations for pregnancy and childbirth, contact Christina Kidd, Student Conduct Coordinator at chkidd@valdosta.edu. Please note, you will be required to provide documentation from an appropriately licensed medical professional indicating the requested accommodations are medically necessary.

Non-Discrimination and Title IX Statement

Valdosta State University (VSU) upholds all applicable laws and policies regarding discrimination on the basis of race, color, sex (including sexual harassment and pregnancy), sexual orientation, gender identity or expression, national origin, religion, age, veteran status, political affiliation, or disability. The University prohibits specific forms of behavior that violate Title IX of the Education Amendments of 1972. Title IX of the Education Amendments of 1972 prohibits discrimination on the basis of sex in education programs and activities that receive federal funding. VSU considers sex discrimination in any form to be a serious offense. Title IX refers to all forms of sex discrimination committed against others, including but not limited to: sexual harassment, sexual assault, sexual misconduct, and sexual violence by other employees, students or third parties and gender inequity or unfair treatment based on an individual's sex/gender. The designated Title IX Coordinator for VSU is Mr. Darius Thomas. To view the full policy or to report an incident visit: <https://www.valdosta.edu/administration/student-affairs/title-ix/>

Academic Integrity: You know that cheating is a bad thing to do. Students caught cheating will receive a grade of F for the test in question and will be reported to the Dean of Students. You are expected to follow VSU's Academic Integrity Code.

From VSU's Academic Integrity Code (the full code is available at <https://www.valdosta.edu/academics/academic-affairs/academic-honesty-policies-and-procedures.php>)

“Academic integrity is the responsibility of all VSU faculty and students. Faculty members should promote academic integrity by including clear instruction on the components of academic integrity and clearly defining the penalties for cheating and plagiarism in their course syllabi. Students are responsible for knowing and abiding by the Academic Integrity Policy as set forth in the Student Code of Conduct and the faculty members’ syllabi. All students are expected to do their own work and to uphold a high standard of academic ethics.”

Classroom demeanor or conduct: Every student should make the lecture a comfortable and enjoyable learning experience. Late entry to the class room or leaving early are not desirable behaviors. Common sense should be practiced and expected.

Additional Information

Strategies used to support learning: Students should take advantage of my office hours. Studying as a group (study group) should be a good idea. However, you have to complete all assignments by yourself. If cheatings are found in your works, all students involved will get a zero point in those assignments.

7. TENTATIVE LAB SCHEDULE AND TOPICS

Date	Topic	Assignments
1/10	Syllabus and General Lab Introduction	
1/17	Lab 1 - Introduction to Basic Statistics	
1/24	Lab 7 - Animal Diversity I	Quiz 1 (Math: 85 – 92)
1/31	Lab 8 - Animal Diversity II	Quiz 2 (Math: 92 – 99)
2/7	Lab 9 – Introduction to Animal Tissues	Quiz 3 (Math: 99 – 106)
2/14	Lab 10 –Anatomy of the Fetal Pig	Quiz 4 (Math: 107 – 112)
2/21	lab 11 – Sensory Systems	Quiz 5 (Math: 113 – 120)
2/28	Lab 12 – Cardiovascular System	Quiz 6 (Math: 121 – 127)
3/7	Lab Practical #1 Animal Diversity and Physiology	Quiz 7 (Math: 127 – 133)
3/14	<i>Spring Break</i>	
3/21	Lab 2 – Non-vascular plants	Quiz 8 (Math: 133 – 140)
3/28	Lab 3 – Vascular Plants	Quiz 9 (Math: 140 – 147)
4/4	Lab 4 – Plant cells, organs, and growth	Quiz 10 (Math: 148 – 154)
4/11	Lab 5 - Angiosperm Development	Quiz 11 (Math: 154 – 163)
4/18	Lab 6 – Plant Growth	Quiz 12 (Math: 163 – 169)
4/25	Lab Practical #2 – Plant Diversity and Physiology	Final Exam (Math: 85 – 177) Make-up quizzes

Biology 1108L Section C Pre and Post quiz schedule				
All quizzes open and close at 9:00 AM of the designated date				
Labs	Pre - Quiz		Post - Quiz	
	Open	Close	Open	Close
Lab 7 – Animal Diversity I	Jan 17	Jan 24	Jan 17	Jan 31
Lab 8 - Animal Diversity II	Jan 17	Jan 31	Jan 17	Feb 7
Lab 9 – Intro to Animal Tissues	Jan 17	Feb 7	Jan 17	Feb 14
Lab 10 – External and Internal Anatomy of the Fetal Pig	Jan 17	Feb 14	Jan 17	Feb 21
lab 11 – Sensory Systems	Jan 17	Feb 21	Jan 17	Feb 28
Lab 12 – Cardiovascular System	Jan 17	Feb 28	Jan 17	Mar 7
Lab 2 – Non-vascular plants	Jan 17	Mar 21	Jan 17	Mar 28
Lab – 3 Vascular plants	Jan 17	Mar 28	Jan 17	April 4
Lab 4 – Plant cells, organs, and growth	Jan 17	April 4	Jan 17	April 11
Lab 5 - Angiosperm Development	Jan 17	April 11	Jan 17	April 18
Lab 6 – Plant Growth	Jan 17	April 18	Jan 17	April 25

Important dates

January 12	Registration for spring 2023 ends (11:59pm)
January 17-20	Attendance Verification for VSU courses that begin on January 9
January 20	Attendance Verifications due at 9am
Feb 21-Mar 1	In-progress Grade Entry for full-term VSU courses
March 1	In-progress Grades Due at 5pm
March 2	Official Midterm for spring 2023
March 2	Students View In-progress Grades
March 9	Withdrawal Deadline for full-term VSU courses
March 13-17	Spring Break (university open/no classes meet)
May 8	Final Grades for spring 2023 due (TBA)
May 8	Students View Final Grades in Banner after 5pm
