CVS Health® Pathways to Success Program

Program Overview

Launched in Fall 2023, this program is designed to help students gain firsthand experience in the pharmacy field before entering pharmacy school.

Why join

This program not only enhances your resume but also equips you with the skills and confidence needed to excel in your pharmacy career. By participating, you will be taking a significant step toward achieving your professional goals and making a positive impact in the healthcare field.

Key features of the program:

- Hands-On Experience: This is a great way to gain practical experience in a pharmacy setting, allowing you to apply your classroom knowledge in real-world scenarios and understand the daily operations of a pharmacy.
- Comprehensive Training: Participants complete online LearningHUB modules, covering essential topics in pharmacy practice, followed by in-person training using the Workstation on Wheels (WOW Box) to develop your technical skills.
- 40-Hour Externship: Immerse yourself in a structured externship where you will work alongside experienced pharmacy professionals, gaining insights into the industry and building your professional network.
- Personalized Support: Throughout the program, you will receive tailored guidance on the application process and the Virtual Job Tryout (VJT), ensuring you are well-prepared for future employment opportunities.
- Career Advancement: After completing the program, you will have the chance to connect with hiring managers in your market, opening doors to potential job placements as a Pharmacy Technician or Intern. The goal of this program is to help you develop a clear career path from extern to Pharmacy Technician, Intern, Grad Intern, and ultimately Pharmacist. Each step of the program is designed to prepare you for the next phase of your career.
- Voluntary Participation: This initiative is designed to fit your academic schedule, allowing you to participate at your own pace while gaining invaluable experience.
