

STUDY

SPANISH IN LA HABANA, CUBA

Cuba is a country geographically close to the United States, yet far removed from the American way of life. It offers students a unique opportunity to expand their global awareness. **Spanish in La Habana** is a 28 day study abroad program in Cuba where students immerse themselves in learning the Spanish language, culture, research, and service learning. This program is designed for students to cross cultural borders, while opening new paths for learning about others and themselves. You'll start by taking classes at La Habana University during the Summer semester. The following Fall semester you'll share your experiences in various forums.

All students will stay in homestays:

- 2 Students Per Home Maximum
- Room & Board
- Weekly Laundry

The Experience.

A city trapped in time, Havana captures the imagination like no other. Faded glamour meets careful colonial-era reconstruction with a backdrop of irresistible color. Walk El Malecón, the walkway bordering the ocean. Visit Old Havana and the Cathedral de San Cristóbal, and listen for salsa music, open-air bazaars and parties that last all night.
