Student Advisees should be responsible & proactive in formulating and communicating their academic plan, and understand the CORE requirements, major coursework, and specific degree requirements. It is especially important for all students to note that it is their individual and personal responsibility to keep themselves apprised of current graduation requirements for their particular degree program. Ultimately, the education choices you make are yours and the responsibility for knowing and fulfilling degree requirements rest with you.

<sup>\*\*15</sup> hours is a normal full academic load. 12 hours is the minimum for a full load. 19 hours is the maximum for a full load. If you wish to take more than 19 hours, you must file a VSU Petition to Register for more than 19hrs.\*\*
