

Color Scheme Zines

Materials

- 4 completed color scheme studies
- Bristol board
- Artist's tape or Blue tape
- exacto knife
- Pencil
- Ruler

Optional/Provided

- cutting mat
 - T-square
 - scanner/photocopier
-

Objectives

Make a zine from your completed color studies.

Format

Zines are made from scanning and photocopying your color scheme studies onto 11 x 17 inch paper. Cut and fold them according to the provided template.

Make a minimum of 3 zines:

- One to keep
 - One for your professor
 - One for the gallery
-

Steps

- 1)** Attach your 4 color schemes to a large sheet of Bristol board using artists tape or blue tape. Organize them according to guide below: note that studies 2 and 3 must be oriented upside-down.
- 2)** Scan and photocopy your zine.
- 3)** Fold and cut your zines according to the attached template.

Rubric:

You will be assessed on the following objectives:

Layout and Formatting- Did you follow all layout and formatting guidelines?

Craft- Are your zines well made with careful observation to craft and detail?
