Department of Accounting
Graduate Mission Statement

The Accounting Department in LCOBA at VSU is committed to the mission of providing our graduate students with a high-quality education. This commitment supports the mission efforts of the University, the College of Business, and the undergraduate Accounting program. With respect to the graduate program, the Accounting Department's mission includes:

1. Providing a quality graduate education in both face-to-face and online learning environments.
2. Utilizing technological tools to enhance the student's analytical skills and develop research techniques.
3. Developing the student's communication skills, both oral and written, and increasing the student's interpersonal skills through group work when possible.
4. Preparing the student to successfully pass the Uniform CPA exam.
5. Enhancing the student's scholarly activities whenever possible in collaboration with Accounting faculty.
6. Assisting the student in developing professional relationships in the Accounting community through professional organization activities and memberships.
