

COEHS Graduate Advising Form

Course related information:

- Typically, students need at least 5 credit hours per semester to receive loans. Please consult with financial aid to learn what your aid requirements are.
- Please note that completing 4 or more courses in 1 semester is a heavy load. Please consider financial aid, personal, and professional obligations when deciding on the amount of classes to complete each semester.

Summer and Fall 2020 Course Entry:

Graduation Information:

Optional: What is your desired graduation date?

Optional: If you would like to share a graduation timeline of the courses that you plan to complete each semester for your advisor to review, then please enter that information below.

Would you like to share any information?
