FIELD EXPERIENCE AND CLINICAL PRACTICE AGREEMENT

Addendum

to

P-12 School Partnership Agreement

The Board of Regents of the University of Georgia by and on behalf of Valdosta State University through its Dewar College of Education and Human Services (hereinafter “COEHS”) and Berrien County Elementary School (hereinafter “P-12”) located at 802 Middle School Circle, Nashville, GA 31639 agree to the following:

A. Placements of Students

COEHS students presenting themselves at the school for any of the activities identified below will do so only upon written request of the COEHS Office of Field Experiences and Clinical Practice. The type of work in which the university students are to engage while at the partner school, the duration of the placement, and the school personnel under whose guidance the work is to be done will be agreed upon by the associated COEHS academic program in cooperation with the Office of Field Experiences and Clinical Practice and the P-12 partner school administrator. Students are not to begin placements without the written approval of the appropriate school administrator and the COEHS Office of Field Experiences and Clinical Practice.

B. Criminal Background Checks

The P-12 and/or school system will request a current criminal background check for each COEHS student who is scheduled to participate in observation, field experience, student teaching/internship, and/or graduate field work. Based on the results of the criminal background check, the school and/or school system may then decide whether or not to allow the COEHS student to participate in the requested experience.

C. Observations

COEHS students enrolled in educator preparation programs will be permitted to observe in P-12 classrooms as well as observe other activities within the school as agreed upon by the school and the COEHS. Necessary adjustments in the time and place of observations in the schools may be made by the appropriate school administrator and the COEHS program personnel to meet specific conditions in the school.

D. Field Experiences

COEHS students enrolled in educator preparation programs may be assigned to specific P-12 teachers or other school professionals for field experiences in settings that provide them with opportunities to observe, practice, and demonstrate the knowledge, skills, and dispositions delineated in institutional, state, and national education standards. Emphasis will be placed on experiences that provide active professional practice or demonstration and that include substantive work with P-12 students or P-12 personnel as appropriate for the areas in which the students are being prepared.

E. Student Teaching/Internships (Clinical Practice)

COEHS students enrolled in educator preparation programs will be engaged in student teaching or an
internship in appropriate placements as approved by the appropriate school administrator, P-12 mentor
teachers to whom the COEHS students are to be assigned, and the appropriate COEHS program
personnel. Student teachers or interns will be supervised by the designated P-12 personnel, designated
school administrators, and designated university supervisors. As agreed upon by the P-12 mentor teacher
and university supervisor, the mentor teacher will delegate gradually increasing responsibilities to the
student teacher or intern as the capacity to carry such responsibilities is demonstrated.

F. Graduate Field Experiences, Special Field Studies, and Research Projects

COEHS students enrolled in graduate educator preparation programs will be permitted to carry out
assigned field experiences and to provide special services for groups and individual P-12 students by
mutual agreement between the appropriate school administrator and COEHS program personnel.

G. Supervision

The supervision of all COEHS student experiences in the P-12 schools will be performed cooperatively
by appropriate members of the school personnel and the COEHS program personnel. It is expressly
understood that no student will be assigned for any experience without provision for guidance of his or
her activities by a member of the COEHS department in which the student is being prepared. Any onsite
activities in which the COEHS students participate will follow the guidelines specified by the COEHS
with the approval of the P-12 partner school administrator.
