Human Services

Master of Education in Elementary Education

Department of
Initial Teacher Preparation

M.Ed. in Elementary Education

The Master of Education in Elementary Education program is offered through the Initial Teacher Preparation & Services Department.

Students in the elementary education graduate program will gain a comprehensive understanding of the knowledge, research, and dominant theories of elementary education to support effective teaching of young children. The program also builds a strong link to classroom instruction and implementation of knowledge and skills in elementary school settings.
