# **FIELD EXPERIENCE AND CLINICAL PRACTICE AGREEMENT**

## **Addendum to P-12 School Partnership Agreement**

The Board of Regents of the University System of Georgia by and on behalf of Valdosta State University through its **Dewar College of Education and Human Services (hereinafter "COEHS")** and **Lowndes County Schools (hereinafter "P-12")** located in Valdosta, GA agree to the following:

### **A. Placements of Students**

COEHS students presenting themselves at the school for any of the activities identified below will do so only upon written request of the COEHS Office of Clinical Experiences and Certification. The type of work in which the university students are to engage while at the partner school, the duration of the placement, and the school personnel under whose guidance the work is to be done will be agreed upon by the associated COEHS academic program in cooperation with the Office of Clinical Experiences and Certification and the P-12 partner school administrator. Students are not to begin placements without the written approval of the appropriate school administrator and the COEHS Office of Clinical Experiences and Certification.

### **B. Criminal Background Checks**

The P-12 and/or school system shall require a current criminal background check for each COEHS student who is scheduled to participate in observation, field experience, student teaching/internship, and/or graduate fieldwork. The COEHS student shall complete the criminal background check prior to the COEHS student's placement at the P-12, and payment of any fees shall be the responsibility of the COEHS student. Based on the results of the criminal background check, the school and/or school system shall then decide whether or not to allow the COEHS student to participate in the requested experience.

### **C. Observations**

COEHS students enrolled in educator preparation programs will be permitted to observe in P-12 classrooms as well as observe other activities within the school as agreed upon by the school and the COEHS. Necessary adjustments in the time and place of observations in the schools may be made by the appropriate school administrator and the COEHS program personnel to meet specific conditions in the school.

### **D. Field Experiences**

COEHS students enrolled in educator preparation programs may be assigned to specific P-12 teachers or other school professionals for field experiences in settings that provide them with opportunities to observe, practice, and demonstrate the knowledge, skills, and dispositions delineated in institutional, state, and national education standards. Emphasis will be placed on experiences that provide active professional practice or demonstration and that include substantive work with P-12 students or P-12 personnel as appropriate for the areas in which the students are being prepared.

### **E. Student Teaching/Internships (Clinical Practice)**

COEHS students enrolled in educator preparation programs will be engaged in student teaching or an internship in appropriate placements as approved by the appropriate school administrator, P-12 mentor teachers to whom the COEHS students are to be assigned, and the appropriate COEHS program personnel.

Student teachers or interns will be supervised by the designated P-12 personnel, designated school administrators, and designated university supervisors. As agreed upon by the P-12 mentor teacher and university supervisor, the mentor teacher will delegate gradually increasing responsibilities to the student teacher or intern as the capacity to carry such responsibilities is demonstrated.

#### F. Graduate Field Experiences, Special Field Studies, and Research Projects

COEHS students enrolled in graduate educator preparation programs will be permitted to carry out assigned field experiences and to provide special services for groups and individual P-12 students by mutual agreement between the appropriate school administrator and COEHS program personnel.

#### G. Supervision

The supervision of all COEHS student experiences in the P-12 schools will be performed cooperatively by appropriate members of the school personnel and the COEHS program personnel. It is expressly understood that no student will be assigned for any experience without provision for guidance of his or her activities by a member of the COEHS department in which the student is being prepared. Any onsite activities in which the COEHS students participate will follow the guidelines specified by the COEHS with the approval of the P-12 partner school administrator.

#### H. Both COEHS and P-12 Responsibilities

1. Each party agrees that no student in the education program(s) will be deemed to be an employee of the P-12 nor will the P-12 be liable for the payment of any wage, salary, or compensation of any kind for service provided by the students. Further, no student will be covered under the P-12's Workers' Compensation, Social Security, or Unemployment Compensation programs.
2. Participating students hereby release and hold harmless hereafter P-12 for any and all claims whatsoever that may accrue to students during their Field Experience and Clinical Practice at P-12.

P-12 will maintain commercial general liability insurance, and teacher professional liability, with limits not less than \$1 million per occurrence and \$3 million annual aggregate. The COEHS will inform all its participating students of the P-12's requirement that they must procure and maintain throughout the Field Experience and Clinical Practice general liability and professional liability insurance with limits of \$1,000,000 per occurrence and \$3,000,000 annual aggregate by a carrier satisfactory to the P-12 and COEHS, and covering their activities at the P-12, and to provide evidence of such insurance to the P-12 prior to participation in any Field Experience and Clinical Practice. COEHS faculty members will be provided professional liability coverage pursuant to the terms and conditions of the GTCA. The COEHS will provide Worker's Compensation Insurance coverage for its participating faculty members. However, the COEHS will not provide Worker's Compensation Insurance or other insurance coverage for its students. This paragraph will survive the termination of this MOU.

Each party further agrees that, with respect to insurance coverage maintained by it, it will:

- a. Provide evidence of such insurance upon request and provide 30 days prior written notice

of any material changes in such coverage, and

- b. Notify the other as soon as possible and cooperate with the other in the investigation and/or settlement of any loss or damage or potential loss or damage arising out of this agreement.

1. This Agreement shall commence as of the 1<sup>st</sup> day of February, 2020 and shall continue until terminated by either party.
