

Psychology Club Minutes

September 7, 2010

Hi All!

Our meeting on Tuesday went well. We elected our 2010-2011 officers! They are:

President: Sami Nash

Vice President: Amber Brock

Secretary: Nakeisha Ricketts

Treasurer: Kacie Franklin

We hope to have an awesome year, we've already picked out the dates for a few upcoming events:

We are having a volleyball game this **Friday, Sept. 10th**, in front of the psych classroom building at 3pm. We have a few professors who will be there, Dr. Browne, Dr. Wiley, etc.. so come out and play some volleyball! I'm sure it's going to be hot outside (this is Valdosta after all) so we will try and get some drinks out there for you.

At our next meeting, **Tuesday, Sept. 14th**, Dr. Browne will be talking about grad school and what it takes to get in. He will give us some tips and pointers for taking the GRE, filling out applications etc. So if you are interested in Grad school you should try and attend.

We will be having Dr. Cunningham come speak to us about School Counseling, so if anyone is interested in School Counseling as a career, try and make it to that meeting on **Tuesday, Sept. 21st**.

Dr. Browne will also be holding a mock GRE, so for those who feel they want some practice, or want to have an idea of how much more studying you need to do for the GRE. The date for that will be **Friday, Sept. 24th**. There will be a signup sheet posted around the psych department, just write your name on there so he has an idea of how many people plan to attend. This is for all majors so if you know anyone else who wants to come, feel free to invite them and write their name on the signup sheet.

We do a progressive dinner every semester, for those of you who do not know, a progressive dinner is when we start at one professor's house for, say, appetizers, then we move to another house for salad and bread, another house for the main course and so on.. It's a lot of fun, and a good way to hang out and eat some good food. As of now the date for the progressive dinner is **Saturday, October 23rd**. So mark your calendars!

We have a couple more upcoming events that we have yet to set a date for, but we will be having a bake sale, thanksgiving lunch and a few fundraisers. When those dates are decided we will let you know!

Finally, we need ideas for t-shirts this year, anything relating to psychology, no idea is too silly, you should have heard some of the things we came up with in the meeting. If you have an idea. Feel free to e-mail any of the officers, or Dr. Browne!

Thanks so much, and we hope to see you all at some meetings and events!
-Sami Nash

P.S Meetings are every Tuesday at 12:30 in the breakroom of the Psychology/Continuing Education building next to Georgia Power!
