2018-2019	27	In process													

Minimum Time is defined by COAMFTE as the shortest possible length of time that a student can complete the program.

Advertised length of time is defined by COAMFTE as the length of time the program is designed to complete.

Maximum length of time is defined by COAMFTE as the maximum time a student is allowed to finish the program.

Job Placement Rate is defined by COAMFTE as "the percentage of graduates from the cohort year listed that are employed within 3 years of their graduation utilizing skills learned in a COAMFTE

COAMFTE has established a benchmark of 70% pass rate for each Master's level cohort.

Dashes signify that data are not available because students are either still enrolled or have only recently graduated.
