This form, showing all completed courses and signatures, is required to graduate. At least one semester prior to the semester you plan to graduate, a first submission of this form must be signed by your advisor and submitted to the registrar's office along with a graduation application. For the first submission of this form, students will still be completing their required courses and the form will not include all the signatures necessary. After the students has completed all their required courses, clinical client contact hours, supervision hours, exit survey, and all required paperwork necessary to graduate then the final signatures will be added and the form will be submitted to the registrar by the program.
