

Professional Ethics Portfolio Paper: Grading Rubric

Each group will submit a 1-2-page, double spaced paper. Use 1-inch margins and 12 pt. Times New Roman or Arial font. You may write your answer in bulleted format; however, you still need to have complete sentences and fully answer each part of the vignettes. Within your response please discuss, explain, and defend your answers. Additionally, each response must be supported by the use of references. A title and reference page must be included; however, an abstract is not needed. APA should be used for in text citing and the reference page. The paper should be uploaded to blazeview.

Papers will be evaluated using the following grading rubric:

Graduate Level Writing: Organization, Mechanics, and Clarity of Writing	/8
Critical Thinking/Analysis: Critical Thinking/Analysis: Written work is comprehensive (research & sources assist in better understanding the ethical conundrum), and information is accurate.	/10
Formating: Sources Appropriately Referenced and APA is followed	/2
Loss of points for not following directions	
TOTAL	/20
