

Application (25 points)

The following criteria will be used to evaluate the PowerPoints:

Graduate level writing: In general, students' writing should be clear, thoughtful, coherent/organized, and comprehensive. Written work should adhere to APA conventions and include a title page and reference list. Paraphrase ideas and support them with citations, use direct quotes judiciously, and avoid redundancy. Abstracts can be omitted. Poor writing, organization, and clarity will result in significant reductions to the student's grade.	/5
Integration: Ideas expressed should be linked to the readings and class discussions.	/10
Critical Thinking/Analysis: How well were you able to comprehend and engage with concepts/questions? How well were you able to explore the topic thoughtfully and create depth in the ideas expressed?	/15
