Upon completion of this course, the student will be able to meet these Student Learning Outcomes (SLOs):

- **SLO 1.** Discuss principles of collection development in any type of library or information center *(ALA Core Competence 2, MLIS PO 1)*.
- **SLO 2.** Conduct a needs assessment that effectively can inform a collection development process *(ALA Core Competence 8, MLIS PO 1)*.
- **SLO 3.** Contribute to the identification, evaluation, selection, acquisition, and preservation of materials in all formats *(ALA Core Competence 2, MLIS PO 1)*.

COURSE ACTIVITIES/ASSIGNMENTS/REQUIREMENTS

MLIS 7400 includes an assignment called *Collection Development Project (CDP)* that partially fulfills the MLIS Program Objective 1. You will find it marked as “necessary to fulfill requirements for this course” on page 4 of this syllabus. You will need a subscription to LiveText and must submit the final copy of the CDP to your LiveText account. The other guided elective that includes the required Collection Development Project (CDP) is MLIS 7440 Electronic Resources. Either MLIS 7400 or MLIS 7440 will fulfill the collection development requirement. Students interested in building their collection development skills to the utmost take both MLIS 7400 and MLIS 7440.

There are a number of assessments developed to meet ALA accreditation requirements on student learning outcomes. These assessments are part of all the MLIS core courses plus certain electives. LiveText is the software that the MLIS Program selected for keeping track of these assessments, and all MLIS students are REQUIRED to purchase access to the LiveText system. The LiveText subscription is not tied to when you entered the program or to when you plan to graduate. Once you purchase your subscription to LiveText, it is good for up to five years. You will also have personal access to other LiveText features you may find useful once you have your subscription. Please consider the purchase of your LiveText subscription as you would the purchase of any other textbook or piece of software required for a course.
Assignments in Brief

The following list is a brief overview of the assessments used to measure learning outcomes included in this course. Complete instructions for each assignment along with grading criteria will be posted on the BlazeView course site in advance of that assignment’s due date.

**Principles of Collection Development Analysis**  (SLOs 1, 5)  10 points
Use the Principle Analysis Worksheet (it’s a table you fill in) located in this module to identify who-what-when influences associated with the major principles of collection development listed on the table. Each entry is worth one (1) point. Post your worksheet to the Principles Analysis Discussion board in the group assigned to you.

**Principles Analysis Discussion Responses**  (SLOs 1, 5)  5 points
Write a response post summarizing what you noticed in terms of commonalities and differences in the who-what-when entries listed by members of your group.

**Adopt-a-Library PESTLE/SWOT Analysis**  (SLO 2)  15 points
Select a library and identify the internal and external factors that affect or may influence collection development in the library you designated as the site you plan to “adopt.” Analysis template provided.

**Debates on Methods of Collection Development**  (SLO 3)  10 points
Work in pairs to present talks on the characteristics of a particular method used in collection development. There will be two debates – one on acquisitions methods and one on collection evaluation methods. Choose one of these debates. See the section on Attendance (p. 5) for participation requirements.

**Reactions to Debates**  (SLO 3)  10 points
Watch all debates (in-person or the archives) and post your reactions (5 points for each Debate).

**Collection Development Project (CDP)**  (SLOs 3, 4, 6)  40 points
This project assesses your overall abilities to contribute to the development of a small-scale collection on a self-selected topic suitable for adult users of a public, academic, or special library. Successful completion of this project is necessary to fulfill requirements for this course.

**Marketing Tool Project**  (SLOs 1, 4)  10 points
Using the collection and user base that you describe in your CDP, create a media-based marketing tool (i.e., an ad that can be disseminated publicly - a PowerPoint or video trailer, an online press release, or poster, flier, or bookmark saved as a pdf file). Design your publicity tool to reach an inclusive audience (i.e., take special needs of potential users into consideration).

**COURSE GRADUES**

Students can earn a maximum of 100 points in this course. Course grades will be awarded as follows:
100 – 90 points = A  89 – 80 points = B  79 – 70 points = C  69 – 60 points = D  Below 60 points = F

Standards for MLIS core courses: **No grade below a C will be credited toward a VSU graduate degree.**
To be eligible to receive an A in this course requires completing every assignment. An overall grade of zero can be assigned to an entire paper or project if the instructor determines that its contents, or parts of its contents, were completed by a second party or copied into a paper or project from a source without proper citing. Noncompliance with rules on appropriate use of resources will result in zero credit for those parts of the assignment affected. If you are unsure about the parameters of an assignment, ask for clarification.

Your final grade will be one of these letter grades:
- Exceptionally exceeds minimum standards: A
- Exceeds minimum standards: B
- Meets minimum standards: C
- Barely meets minimum standards: D
- Fails to meet minimum standards: F

COURSE EVALUATION
As a student in this class, you are expected to: (1) read or view all assigned background materials; (2) attend or view archives for all debates and all lectures presented as web conferences; (3) visit a library to examine its collection and policy on collection development; (4) attain an acceptable score (30-40 points) on the Collection Development Project (CDP); (5) submit all projects on time and according to the format designated by the instructor; and (6) conduct your research and composition according to the rules of academic integrity. See the COEHS Policy on Plagiarism on page 6 and the MLIS Guide to Ethical Conduct at [http://www.valdosta.edu/colleges/education/master-of-library-and-information-science/documents/GuidetoEthicalConductWebversion.pdf](http://www.valdosta.edu/colleges/education/master-of-library-and-information-science/documents/GuidetoEthicalConductWebversion.pdf).

ATTENDANCE POLICY
This is a Web-delivered course, with one required online presentation. The instructor will schedule real-time instruction using tools in BlazeView such as the Collaborate Classroom. To receive full credit for your participation in the classroom debates, you must remain present for the entire session in which you present your debate and either attend or view the archives of all other debates.

COMMUNICATION
Please post course-related questions that may be relevant to the class on the Ask discussion board. You are expected to read the discussion boards regularly. If you have a personal question please send it to the instructor via BlazeView course e-mail. If you would like to speak with the instructor in person or by telephone please make contact during office hours.

SUBMITTING WRITTEN ASSIGNMENTS
All written work must be submitted as instructed on the BlazeView course website using Word formats (.doc or .docx suffixes only) or other formats designated by the instructor. The university’s Information Technology (IT) department provides step-by-step guides on how to use VSU’s e-mail system and other resources. The IT Help Desk is at [http://ww2.valdosta.edu/helpdesk/index.shtml](http://ww2.valdosta.edu/helpdesk/index.shtml). Their telephone hotline is 229-245-4357. BlazeVIEW is powered by the Desire2Learn (D2L) course learning system. D2L provides 24/7 support 365 days a year. To contact D2L, go to [https://D2LHelp.view.usg.edu](https://D2LHelp.view.usg.edu) or call the hotline at 855-772-0423.
LATE POLICY
Most graded assignments are due Monday, 11:59 pm. You have a one-day grace period to submit assignments for full credit – Tuesday, 11:59 pm is the deadline. Assignments received after Tuesday, 11:59 pm, lose points. Completely skipping an assignment is not acceptable in graduate school. To be eligible to receive an A in this course requires completing every assignment and submitting within the specified deadlines.

A grade of Incomplete is not an option unless a non-academic situation interferes with completion of assignments after the option to withdraw without academic penalty expires (Noon, Thursday, March 9). A petition for an Incomplete must be submitted with documentation to the professor at the time an assignment is missed. Withdrawal from a course after March 9 requires a petition for hardship withdrawal. Follow-up regarding the hardship withdrawal process is the responsibility of the student, and questions on how to proceed must be directed to Dr. Marsha Walden (mwalden@valdosta.edu) in the Centralized Advising Center (229-245-4378).

PROFESSIONALISM
The Department of Library and Information Studies expects that MLIS students will pursue their academic endeavors and conduct themselves in a professional and ethical manner. All work that a student presents to satisfy course requirements should represent his or her own efforts, including appropriate use and acknowledgement of external sources. The student will be timely and complete with assignments and other engagements. The student will communicate in a professional manner in both speech and writing. The student will maintain a professional attitude, being respectful to others and their viewpoints, and seek to maintain objectivity. The student will exercise an awareness of the pervasiveness of the online environment and strive to maintain a professional online presence.

SOI responses are anonymous, and instructors will be able to view only a summary of all responses two weeks after they have submitted final grades. While instructors will not be able to view individual responses or to access any of the responses until after final grade submission, they will be able to see which students have or have not completed their SOIs, and student compliance may be considered in the determination of the final course grade. These compliance and non-compliance reports will not be available once instructors are able to access the results. Complete information about the SOIs, including how to access the survey and a timetable for this term is available at http://www.valdosta.edu/academic/OnlineSOIPilotProject.shtml.
