Guiding Principles (DEPOSITS)

(Adapted from the Georgia Systemic Teacher Education Program Accomplished Teacher Framework)

Dispositions Principle: Productive dispositions positively affect learners, professional growth, and the learning environment.

Equity Principle: All learners deserve high expectations and support.

Process Principle: Learning is a lifelong process of development and growth.

Ownership Principle: Professionals are committed to and assume responsibility for the future of their disciplines.

Support Principle: Successful engagement in the process of learning requires collaboration among multiple partners.

Impact Principle: Effective practice yields evidence of learning.

Technology Principle: Technology facilitates teaching, learning, community-building, and resource acquisition.

Standards Principle: Evidence-based standards systematically guide professional preparation and development.

ALA's Core Competences of Librarianship

(extracted from ALA's Core Competences of Librarianship 2009, available from

<http://www.ala.org/educationcareers/sites/ala.org.educationcareers/files/content/careers/corecomp/corecompetences/finalcorecompstat09.pdf>)

1. Foundations of the Profession: The librarian understands the role of library and information professionals in the promotion of democratic principles and intellectual freedom (including freedom of expression, thought, and conscience), the legal framework within which libraries and information agencies operate; and the certification and/or licensure requirements of specialized areas of the profession.
2. Information Resources: The librarian understands the concepts and issues related to the lifecycle of recorded knowledge and information; the acquisition and disposition of resources; and the management and maintenance of various collections.
3. Organization of Recorded Knowledge and Information: The librarian understands and uses the principles involved in the organization, representation, and classification of recorded knowledge and information.
4. Technological Knowledge and Skills: The librarian understands and uses information, communication, assistive, and related technologies consistent with professional ethics and prevailing service norms and applications.

5. Reference and User Services: The librarian understands and uses the concepts, principles, and techniques of reference and user services to provide access to relevant and accurate recorded knowledge and information to individuals of all ages and groups.
6. Research: The librarian understands and uses the fundamentals of quantitative and qualitative research methods to evaluate and assess the actual and potential value of new research.
7. Professionalism. The librarian understands the necessity of continuing professional development of practitioners in libraries and other information agencies; the role of the library in the lifelong learning of patrons; and the application of learning theories, instructional methods, and achievement measures in libraries and other information agencies.
8. Administration and Management: The librarian understands the principles of planning and budgeting in libraries and other information agencies; the principles of effective personnel practices and human resource development; the assessment and evaluation of library services and their outcomes; and the issues relating to, and methods for, principled, transformational leadership.

COURSE DESCRIPTION

Taken during the final semester of study. Required for partial fulfillment of the requirements for the MLIS degree. Emphasis will be on synthesis of knowledge, honing writing and presentation skills, and creating a professional development plan.

REQUIRED TEXTBOOKS / RESOURCE MATERIALS

Highly Recommended Texts, Resources, and Technology

- American Psychological Association. (2020). *Publication manual of the American Psychological Association* (7th ed.). <https://doi.org/10.1037/0000165-000>; ISBN: 978-1-4338-3216-1 (paperback)
- Hollister, C. V. (2014). *Handbook of academic writing for librarians*. Association of College and Research Libraries.; ISBN: 978-0-8389-8736-0 (paperback)
- Newlen, R. R. (2006). *Resume writing and interviewing techniques that work! A how-to-do-it manual for librarians*. ALA Neal-Schuman.; ISBN: 978-1-55570-538-1 (paperback)

Required Assessment Portfolio

All students are REQUIRED to purchase access to the MLIS Program assessment system called LiveText (www.LiveText.com). Instructions for purchasing and using LiveText are posted on the course website.

Why LiveText? LiveText is the software that the MLIS Program selected for keeping track of the assessments developed to meet ALA accreditation requirements that MLIS programs document their goals and objectives in terms of student learning outcomes. These assessments are part of all the core courses as well as certain electives. Therefore, all current students must purchase a subscription in order to submit those assignments that also serve as core assessments. The LiveText subscription requirement is not tied to when you entered the program or to when you plan to graduate.

Once you purchase your subscription to LiveText, it is good for up to 5 years. You will also have personal access to other LiveText features you may find useful once you have your subscription. Please consider the purchase of your LiveText subscription as you would the purchase of any other textbook or piece of software required for a course. You might also be interested to know that LiveText is used extensively in hundreds of North American universities for program assessment and portfolio purposes. At VSU it is also required in other departments in the College of Education and Human Services for purposes similar to those the MLIS Program has implemented.

COURSE OBJECTIVES *(Show alignment to MLIS Program Objectives (PO) for all MLIS courses).*

Upon completion of this course, the student will be able to meet these Student Learning Outcomes (SLOs):

- SLO 1. Synthesize knowledge gained throughout the course of study and apply that knowledge to the consideration of current professional issues (MLIS PO 1, 2, 3, 4).
- SLO 2. Create a career development plan (MLIS PO 1, 3, 4).
- SLO 3. Critically reflect on their engagement with and evaluate learning during the program (MLIS PO 3, 4).
- SLO 4. Reflect on their own emerging role as an information professional (MLIS PO 4).

COURSE ACTIVITIES/ASSIGNMENTS/REQUIREMENTS

Assignments and Activities in Brief as mapped to Program Objectives and Student Learning Outcomes. Assignment due dates can be found in the course calendar.

***Successful completion of these assignment is necessary to fulfill requirements for this course and indicates partial accomplishment of MLIS Program-level student learning outcomes. Your finished assignment must be uploaded to LiveText.**

COURSE GRADES

ePortfolio	55 points
Capstone Webinar	20 points
Professional Development Plan	10 points
Professional Resume	10 points
Discussions	5 points
Total	= 100 points

Course grades will be awarded as follows:

100-90 points = A 89-80 points = B 79-70 points = C 69-60 points = D Below 60 points = F

Standards for MLIS core courses: No grade below a C will be credited toward a VSU graduate

An overall grade of zero can be assigned to an entire paper or project if the instructor determines that its contents, or parts of its contents, were completed by a second party or copied into a paper or project from a source without proper citing. Noncompliance with rules on appropriate use of resources will result in zero credit for those parts of the assignment affected. If you are unsure about the parameters of an assignment, ask for clarification.

ACADEMIC ETHICS

The Guide to Ethical Conduct, a booklet created for VSU MLIS students, can be found at:

<http://www.valdosta.edu/colleges/education/master-of-library-and-information-science/documents/GuidetoEthicalConductWebversion.pdf>. It contains guidelines on appropriate

conduct and outlines the ethical principles that inform the profession of library and information science. By this time in your MLIS program, you are expected to cite your sources and quote from those sources appropriately for your discussions, papers, and presentations. If you are unsure about the guidelines for an assignment, this is the time to clarify issues of academic publication. Noncompliance with rules on appropriate use of resources will result in zero credit for those parts of the assignment affected.

Asking librarians or staff in a library to provide answers or to conduct research to fulfill any part of a graded course requirement is an infraction of academic integrity. The same policy applies to contacting any free or commercial reference service for assistance with a graded assignment. Please see the departmental statement on PROFESSIONALISM further down in this document for more discussion of this topic.

ATTENDANCE POLICY

This is a Web-delivered course. All course communications, activities, and materials will be available exclusively through the BlazeVIEW web site. All students are expected to log into BlazeVIEW at least once per week to remain current with the course. Daily logins are strongly recommended. All students are required to participate in a minimum of two scheduled live online sessions as indicated in assignment instructions. *To receive full credit for your participation in the Live Classroom sessions, you must remain present for the entire session in which you make your presentation.*

GRADUATION

Standards for Graduation

- To exit the MLIS Program students must complete every assignment in the Capstone course.
- Students admitted before Fall 2012 who receive an overall grade below C in MLIS 7800 will not be qualified for graduation. All students admitted in Fall 2012 and thereafter must earn a grade of B or better in MLIS 7800 and all other core courses (MLIS 7000, 7100, 7200, 7300, 7700) to qualify for graduation.
- All students admitted in Fall 2016 or later must receive a grade of B or better in MLIS 7400 or MLIS 7440 to graduate.
- No course grade below a C will be credited toward a VSU graduate degree.
- A cumulative graduate GPA of 3.0 or better is required by the University to qualify for graduation.

Application for Graduation

The Registrar asks that graduation applications be made two semesters before graduation is planned. Please make sure that your Application for Graduation packet has been submitted and processed. You should call the MLIS Office for confirmation that we have all the forms in your file (229-333-5966). For guidance, see <http://www.valdosta.edu/colleges/education/master-of-library-and-information-science/student-resources/advising.php>

COMMUNICATION

VSU requires that all correspondence between the student and the instructor be conducted through official university channels. To that end, all e-mail correspondence related to this course is to be sent using the email client built into BlazeVIEW. Non-course email should be sent to the instructor's regular VSU email address. Students should always use their own VSU email addresses for all VSU related communications. All discussion posts and assignment submissions for this online course must be made via BlazeVIEW. I do my best to answer email and discussion board questions within 24 hours.

TECHNICAL REQUIREMENTS AND SUPPORT

Technical Requirements

All class materials will be placed in the BlazeVIEW course management program. Login through MyVSU (<https://myvsu.valdosta.edu/portals/>) using your VSU Single Sign-on ID and password. To meet all class requirements, you should be prepared to: (1) open and save or print all documents that are required background reading — this requires the Adobe Acrobat Reader on your computer; (2) view all PowerPoints placed on the course BlazeVIEW site; (3) participate in Blackboard Collaborate sessions — login links and instructions will be available through your BlazeVIEW course homepage; (4) check discussion groups as needed; and (5) keep electronic backup copies of each assignment and project you submit. All assignments must be submitted as instructed on the BlazeVIEW course website as a PDF (.pdf) or other formats designated by the instructor.

Distance Learning and Technical Support

Given the high stakes involved in completing this course (your graduation!), it is absolutely essential that your computer's technical connections to the applications provided through the university's Information Technology department and the eLearning lab (Distance Learning) are ready to go as of the first day of class. The IT Help Desk is available at <http://www.valdosta.edu/administration/it/helpdesk/> and their phone hot line is 229-245-4357.

Help with BlazeVIEW is available from the D2L Help Center, linked at <http://www.valdosta.edu/academics/elearning/blazeview-d2l.php> or 1-855-772-0423.

To ask questions about availability or location of VSU online resources use VSU Library's Live Chat or Email at: <http://www.valdosta.edu/academics/library/>. You may also phone the VSU Library's reference service at 229-333-7149.

PROFESSIONALISM

The Department of Library and Information Studies expects that MLIS students will pursue their academic endeavors and conduct themselves in a professional and ethical manner. All work that a student presents to satisfy course requirements should represent his or her own efforts, including appropriate use and acknowledgement of external sources. The student will be timely and complete with their assignments and other engagements. The student will communicate in a professional manner in both speech and writing. The student will maintain a professional attitude, being respectful to others and their viewpoints, and seek to maintain objectivity. The student will exercise an awareness of the pervasiveness of the online environment and strive to maintain a professional online presence.

STUDENT OPINION OF INSTRUCTION

At the end of the term, all students will be expected to complete an online Student Opinion of Instruction survey (SOI) that will be available through SmartEvals. Students will receive an email notification through their VSU email address when the SOI is available (generally at least one week before the end of the term). SOI responses are anonymous to instructors/administrators, and they will be able to access results only after they have submitted final grades. Before final grade submission, instructors will not be able to see any responses, but they can see the percentage of students who have or have not completed their SOIs. While instructors will not be able to see student names, an automated system will send a reminder email to those who have yet to complete their SOIs. Students who withdraw or drop a course will also be sent invitations to complete the Dropped Course Survey. Complete information about the SOIs, including how to access the survey, is available on the SOI Procedures webpage (<https://www.valdosta.edu/academics/academic-affairs/sois/>).
