A set of multimedia content in the form of podcasts and streaming videos will be made available as part of course content.

Details for each learning module are posted in the appropriate folder on the course website. It is the student's responsibility to follow the course calendar and participate via BlazeVIEW as indicated at the appropriate times. The instructor reserves the right to schedule real-time delivery of instruction using tools available inside BlazeVIEW. It is in the student's best interest to log into the BlazeVIEW course delivery system daily to check for announcements and e-mail messages related to the course.

### **Communication**

A course Faculty Office discussion board will be available for the duration of the semester. Please post course-related questions that may be relevant to your classmates on the discussion board. You are expected to read the Faculty Office discussion board regularly. If you have a personal question please send it to the instructor via BlazeView course e-mail. If you would like to speak with the instructor in person or by telephone please contact us during office hours.

### **Submitting written assignments**

All written work must be submitted as attachments to the assignment modules in the BlazeView course website using Word formats (.doc or .docx suffixes only). All written work file names should begin with your last name and first initial and include the assignment name as the file name, for example: DrouillardC\_tour.docx The university's Information Technology department provides step-by-step guides on how to use VSU's e-mail system and other resources. The IT Help Desk is at <http://ww2.valdosta.edu/helpdesk/index.shtml> Their telephone hotline is 229-245-4357.

### **Late Policy**

All course work is due inside BlazeView on the date and time indicated on the course calendar. Any exceptions without penalties must be negotiated in advance. Technological crises are not an acceptable excuse for submitting work late unless BlazeView is down at the time the work is due.

A grace period of 24 hours is offered without penalty on assignments (this does not include discussion boards – due to the interactive nature of these, each module's discussion posts must be completed according to the course schedule). After 24 hours 20% of the possible assignment grade will be deducted from the student's score for every additional 24 hours or increment thereof that the work is late up until the day the BlazeView assignment submission window closes (noon on Friday unless otherwise identified). If you need additional time to work on an assignment or if you have a scheduling conflict you must contact your instructor BEFORE the assignment is due to discuss your situation. The instructor WILL NOT accept work after the assignment submission window closes without prior consent.

All work that a student presents to satisfy course requirements should represent his or her own efforts, including appropriate use and acknowledgement of external sources. The student will be timely and complete with assignments and other engagements. The student will communicate in a professional manner in both speech and writing. The student will maintain a professional attitude, being respectful to others and their viewpoints, and seek to maintain objectivity.
