

Support provided to the unit's Teacher Candidates, Mentor Teachers and University Supervisors each semester consist of:

- On-going trainings for teacher candidates, mentor teachers, and university supervisors (see “Criteria for Selection Process of Team Members” 3.4.c.)
- Observation conferences for feedback and reflection are held regularly throughout the semester
- COE and Departmental Handbooks detail the roles and requirements of all team members (see 3.4.e.)
- COE Observation Instrument: Field Form and Observation Instrument Training (see 1.4.c. and 3.4.c. for specifics)
- LiveText overview and training (see 3.4.c.)
- Professional Development Day - full day of professional training presented each semester to all teacher candidates/clinical faculty
- Career Day - full day participation from various school systems, local administrators and teacher candidates
- VSU clinical faculty in the P-12 schools serve as coaches, teachers and support during each semester
