

HPE Departmental Meeting
Initial Program Meeting Agenda

August 10, 2016

1. Welcome back
2. Numbers:
 - a. 4I will keep you posted.
 - b. Taking 3101, 3200, and/or 3450 = 2-5 total
 - c. 2.75 kept 1 out.
 - d. We only had 6 in summer 2999. 2 did nothing, 2 got in, 1 needs to pass GACE and 1 GPA
3. Theme Proficiency Assessments (see handout)
 - a. Remember to put your assignment for the students on the dashboard for your specific course in livetext. Make sure to list it correctly. This is the only way the assessment office will know to pull those grades. Remember the points must be out of a 100. People in other departments did not. WE DID!!!!!!
 - b. If you make any changes to your rubric; just make sure you keep the correct name for the assessment. i.e.: **Reflection Paper ED_{2a}** or **Discussion Posts and comments DL_{3a}**
 - c. Remember to make the rubric viewable to students (click the box) in LT
 - d. Make sure if you make any changes to your syllabi that you keep your theme assessments marked correctly.
4. Special Olympics: **October 25th Tuesday; Seniors.....October 27th Thursday; Juniors**
5. KSPE 2010 (see handout)
6. Weekly Fall 2016 schedule (see handout)
7. CAPS; dispositions will be added to CAPS (when available, I will share). We will record dispositions during 3700, 3460, 4710, and 3911 when we use CAPS. Do we want to continue using a departmental disposition??? Do we want to continue with mid-program reviews???

FYI:

Before students can get an INDUCTION certificate in GA; they must pass GACE content with a 250 or better; pass with 100% on the ethics test, and pass edTPA.

Candidates can pass student teaching by making the attempt at all 3. They will receive what you call a Pre-Service Letter; not certification.

WE had 100% on edTPA last year! They **MUST** attempt edTPA and receive scores on all rubrics. If not, they will receive a U for student teaching. If they do not make the cut off score of 35, they will receive a U or I and we will place them immediately back into the schools to

complete the task needed. If they fail more than one task, they have to repeat edTPA. Matt can speak more on edTPA if questions.

edTPA \$300.00; \$100.00 to repeat a single task.
