The DAISY in Training Award™ is designed to remind students, even on the hardest days in nursing school, why they have chosen nursing as a profession. By recognizing nursing students for the above-and-beyond care and compassion shown to patients and their families we celebrate what it truly means to be a nurse. We honor the nurse-patient connection that makes all the difference to patients and their families in their healthcare experience and that makes great nurses truly great.

Nominate by filling out this form

Student Name

Location of Care

Your Name

You are a:
(Patient, Family, Visitor, Preceptor, Instructor, etc.)

Why are you nominating this Student Nurse for the DAISY in Training Award?
In 500 words or less, please describe why you are nominating this student. Please include a specific story about this student nurse’s exceptional compassion, advocacy, or leadership.

Compassion: Demonstrates outstanding compassion at the bedside.
Advocacy: Demonstrates exceptional service as a voice for patient needs or wants.
Leadership: Demonstrates excellence in team collaboration and skill in clinical setting.
