School of Nursing  
Valdosta State University

## Program Overview

Master's nursing education builds on baccalaureate nursing education and prepares nurses for specialized clinical roles. The M.S.N. program offers two primary care clinical tracks: Family Nurse Practitioner and Family Psychiatric/Mental Health Nurse Practitioner. The master's degree (M.S.N.) programs in the College of Nursing and Health Sciences are accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington, DC 20036. Telephone 202-887-6791; Fax 202-887-8476. Questions about accreditation status may be addressed to this organization.

All students take a common core before entering the clinical track options. The common core includes advanced pathophysiology, advanced pharmacology, and advanced health assessment.
