

# Math Experiential Learning Options

The actual number of EL credits varies by item and level of student participation. Please note, due to COVID-19 restrictions, some options may not be available.

- MAA Club (Math Club)
- Helping with Math Dept. outreach events (Science Saturday, Pi Mu Epsilon, SK Day, Math Tournaments, etc.)
- Tutoring math in the ASC or NH Math Lab
- SI Leader or RL for a math course (through ASC)
- Participating in a Math camp, conference, or workshop offered through VSU or through a faculty mentor.
- Specific courses carrying EL credit:
  - MATH 4910 – Mathematical Models
  - MATH 4980 – Senior Seminar
  - MATH 4990 – Special Topics in Math (if used for research)
  - MAED 3500 – Curriculum and Methods for Teaching Middle Grades Math
  - MAED 4500 – Curriculum and Methods for Teaching Secondary Math
  - MAED 4790 – Student Teaching
