Step 4: Select your booking. From this page, you will select your Fall booking by clicking the Red Select button on the right-hand side of the page. Please read over the information located on this page, including the link to download the What to Bring Checklist.

This is where students will select a move-in time for Fall 2021. As a reminder, new students will move in over Monday, August 9th through Wednesday, August 11th. Returning students will move in over Thursday, August 12th through Saturday, August 14th.

There are no move-in appointments available for Sunday, August 15th. If you are a returning student and plan on moving in on Sunday the 15th, you will have to call HEART at 229-253-4000 to get checked in and get your key. As a reminder, if HEART is assisting another student, your wait could be at least 30 minutes.

All students will need their VSU 1Card to get checked in. If you are a new student and submitted your picture online or at Orientation and do not have your card, it will be at your residence hall. If you are a returning student, or a new student that did NOT submit their photo, you will have to see the 1Card Office prior to moving in.

If you need to request a different move-in day/time, please email with your requested day, time, and reasoning to housing-movein@valdosta.edu.

- Please stay home if you are experiencing any symptoms of COVID 19, have a temperature of 101.3 or higher, or identify as a person of high risk for exposure

- Unloading Time is limited to 1 Hour at the residence hall per student, at that time all cars must be moved to long-term parking areas to make space for the students arriving in the next hour time-slot
- No more than 2 Cars per student and no U-hauls or trailers are permitted at the residence halls.

If a time is greyed out, that means it is no longer available to select and is full, you will need to select a different time. You can change the dates by either clicking on the arrows on the right-hand side, or selecting the date selector on the left-hand side of the page.

When you select a time, you will see a pop-up to confirm that this is the move-in time that you want to book.
