

**Request for Housing Deposit to be taken from Fall Financial Aid Award**

---

I, \_\_\_\_\_ VSU ID # 870 \_\_\_\_\_  
hereby give permission for VSU and their associated offices, specifically Housing and Residence Life and Financial Aid, to take my \$150.00 Housing deposit from my pending Financial Aid disbursement when posted to my VSU student account. Upon the release of my Financial Aid the \$150.00 Housing deposit will be deducted from the amount I receive.

I understand that failure to remain enrolled as a student for the term I am applying to live with Housing and Residence Life, does not remove my obligation to pay the deposit. Further, if the Financial Aid changes and is no longer enough to cover my deposit, I am still liable for the deposit out of pocket. This is true even if I choose later to not enroll at VSU, the \$150 deposit is still owed if past the stated cancellation deadline in the contract. Failure to cover the deposit from Financial Aid or out of pocket could lead to me being reported to a collection agency if remaining unpaid after timely notification.
