

Valdosta State University Student Services and Resources

Academic Support Center

<https://www.valdosta.edu/asc/>

While the ASC services are primarily for undergraduate students, graduate students have access to tutoring services to assist with graduate-level writing.

Access Office

<https://www.valdosta.edu/student/disability/>

According to its website, “the mission of the Access Office is to serve as leaders in removing physical, educational, and other barriers and creating an inclusive and diverse environment by collaborating with and motivating students, faculty, staff, and the community so that they can ensure that all VSU classrooms, events, and experiences are seamlessly accessible to all.”

Career Opportunities and Volunteer Services

<https://www.valdosta.edu/student/student-services/career-services/>

The mission of this office is to provide “career development and awareness, experiential learning/cooperative education, and professional employment opportunities for undergraduate and graduate students and alumni. The Career Opportunities staff collaborates with our employer and community partners to develop the employment potential of our students and graduates as well as utilize their innovative, intellectual talents.”

Counseling Center

<https://www.valdosta.edu/student/student-services/counseling-center/about-us.php>

The Counseling Center’s mission “is consistent with the mission and goals of Valdosta State University by providing a broad range of personal, educational and wellness services to the university community aimed at maximizing the personal growth and development of its members.”

Graduate Assistantships

<https://www.valdosta.edu/academics/graduate-school/graduate-assistantships.php>

According to the Graduate School’s website, “VSU’s graduate assistantships are designed to promote the research, teaching, and service responsibilities of the University and to provide graduate students with valuable professional development opportunities while earning a graduate degree. Therefore, the Graduate Assistants have the dual responsibility of maintaining satisfactory academic performance and successfully performing the assigned teaching, research, or other service responsibilities.”

Graduate Research Symposium

<https://www.valdosta.edu/academics/graduate-school/research/symposium.php>

Each spring semester, the Graduate School sponsors the Graduate Research Symposium where students may present their research.

Graduate Student Travel Fund

<https://www.valdosta.edu/academics/graduate-school/research/grad-student-travel-fund-app1.pdf>

Graduate students may apply for conference travel funding to support research presentations. This program is administered through the Graduate School.

Health Services

<https://www.valdosta.edu/administration/student-affairs/student-health/>

The mission of VSU Health Services “is to provide optimum health care in a convenient location for undergraduate and graduate students in a compassionate, confidential manner.”

Military and Veteran Services

<https://www.valdosta.edu/academics/amp/military-veteran-services/>

According to its website, “VSU is committed to being a ‘military friendly’ institution and has established several military outreach programs to ensure military students have the information and support they need. Our staff is determined to provide each student with the personal and professional resources they need to be successful during their academic journey.”

Odum Library

<https://www.valdosta.edu/academics/library/>

According to its website, the Odum Library “collection includes approximately 530,000 volumes, electronic and print journals, government documents, microform, and audio-visual materials, as well as numerous maps, charts, and archival resources.” Additionally, “the library currently subscribes to numerous print magazines, journals and newspapers and has more than 64,000 full text online journals available through GALILEO.” The library is also the location of the New Media Center that provides VSU students, faculty, and staff access to laptops and a/v equipment for check out, poster printing, and 3D printing services.

Technology Services and Resources

<https://www.valdosta.edu/administration/it/>

This office provides technology support for students, faculty, and staff.

VSU Cares

<https://www.valdosta.edu/vsucare/>

According to its website, “VSU Cares provides currently enrolled students with need-based financial assistance as well as assistance with food and clothing.”
