Children Specific Policies

1. The cost of a child's lesson is determined by the registering adult's VSU Student Recreation Center membership status.
Example: Registering adult/parent/guardian is a non-member = child's price would be the non-member price.
2. Our current minimum age for swim lessons is **6 months old**.
3. All students must be potty trained before registering for lessons OR wear a properly-sized swim diaper. After the first instance of defecation in the pool, the student (regardless of age) will be required to wear both a disposable swim diaper and a vinyl cover under swimwear. Multiple incidents will result in termination of lessons.
4. Children 6 years and older must use their gender specific locker room or the family locker room.
5. Children are not allowed to enter the pool before the start of the lesson or stay after the lesson is finished. Non-compliance may result in termination of all future lessons.
6. Instructors reserve the right to ask the parent/guardian to leave the pool area if the instructor feels their presence is distracting for the student. Sitting areas available in the lobby and on the sun deck adjacent to the pool.
7. Parents/guardians are encouraged to watch the final 5 minutes of your child's lesson from the pool deck.
