

Panhellenic Recruitment 2020

Kick-Off

Sunday August 9th

Virtual Event

On this day, Potential New Members (PNMs) will attend a kickoff session to meet Gamma Chi's and other women participating in recruitment. Each Panhellenic chapter will give a presentation on their chapter, and the Recruitment Team will provide guidelines and expectations for the rest of the week. We suggest wearing something comfortable!

Round One: Philanthropy Day

Monday & Tuesday August 10 & 11

Virtual Events

During this round, Potential New Members will meet all six Panhellenic chapters over the course of two days. You learn about each chapter's philanthropy. The PNMs will wear a recruitment t-shirt provided to them in their residence hall or drive through pick up.

Round Two: Sisterhood Day
Wednesday & Thursday August 12 & 13
Virtual Event

Sisterhood Round will allow Potential New Members to experience the sisterhood found in each sorority. During this day's events, sororities will showcase the activities they host or participate in throughout the year. PNMs will attend a maximum of four events over the course of two days. Recommended attire for this day includes a comfortable top.

Round Three: Preference
Friday August 14
Nevins Hall

Preference Day serves as the last round of recruitment, and conversations are the most serious. A sorority's invitation to this round means that they are very interested in a PNM joining their chapter. PNMs will decide what sorority they wish to join on this day. Preference events are the most formal events of recruitment; recommended attire includes a cocktail dress with heels, wedges or flats.

Bid Day
Saturday August 15
Virtual Event

On Bid day, Potential New Members will receive a bid from a sorority offering them membership. Each sorority will have different virtual activities planned for their new members, where they will celebrate the rest of the day. Wear something comfortable such as shorts, tennis shoes or flip flops and the t-shirt provided at kick off. Each sorority will provide new members with a Bid Day t-shirt once bids are received.
