## Interfraternity Council (IFC)

**KELSEY JOYNER**

The Interfraternity Council has been hard at work this first half of the semester! While welcoming new members into their brotherhood they have also been busy planning new philanthropy events while also participating in community wide projects and seminars. September was busy with the kick off of homecoming with a very successful Greek wide field day to meet your teams from other councils. The men of all fraternities were also attended a seminar for National Hazing Prevention Week. Many fraternities have their personal philanthropy events approaching such as Delta Chi's V-Week supporting the V Foundation for cancer research, Phi Sigma Kappa's Greek Get Down competition supporting Special Olympics and Sigma Chi's Derby Days supporting Huntsman Cancer Foundation. We are super excited for all the upcoming activities the Interfraternity Council has planned!

Our College Panhellenic Council has been very busy this past month with socials events, community service events, and planning upcoming programming events. Our Greek Life coordinator, Madison Beaumarchais, hosted a new member education event for all of our new Greek members. The new member education event covers topics such as drugs, alcohol, harassment, and bystander intervention. Our council also participated in a field day event to discover what other Greek organizations they were paired with for homecoming. This event was a fun time for all of our Greek councils to get together and get to know each other. Some events that are coming up for our council is on October 25th we will be hosting a resume workshop for our CPC chapters. Phi Mu will be hosting a golf tournament on November 26th and all proceeds will go to their philanthropy. Zeta Tau Alpha will be hosting Big Man on Campus on November 7th and all proceeds will go to Breast Cancer Awareness Foundation. ## National Pan-Hellenic Council (NPHC)

### SHAMIECE BANKS

The National Pan-Hellenic Council has kept the momentum going from the beginning of the semester all the way through September. During the month of September, NPHC held their annual "NPHC Mini Week". This is an opportunity for the campus community to come out, meet the chapters, and enjoy themselves. The week started off with a cookout--where there was free food, music and an overall good time.

Second event of the week was the NPHC Yardshow, which proved to be one of the most successful and well attended Yardshows to date. Each organization had the opportunity to showcase themselves with over 500 students in attendance!

The last event to conclude the week, was a kickball tournament with Media Arts Geniuses (MAG). At the end of September the women of NPHC, hosted the annual NPHC Women's Conference titled: *Wonder Women, The Dream Continues With Us*. This year, NPHC had four organizations co-sponsor the conference: Black Student League (BSL), Replenished Women, National Council of Negro Women (NCNW), and National Association for the Advancement of Colored People (NAACP). For the conference, the women held a movie night, a workshop series, and ended the week with a Sunday Brunch. The National Pan-Hellenic Council is looking forward to finishing the semester off strong!
