# Fraternity and Sorority Life Office Update

Congratulations, we've made it through another successful semester! You have accomplished so much this semester, and I cannot wait to see what you have planned for the fall. The last few weeks have been focused on celebrating your amazing accomplishments throughout the last year, and I have enjoyed watching you receive every accolade. I was thoroughly impressed with the awards you took home at the Student Affairs Night on Fire event. So again, I say congratulations!

Enjoy your summer break, and come back in the fall with as much fire and passion as you showed this semester! Graduating seniors, again we will miss your contributions to our community and we hope to see you back soon!

Congratulations to our very own

## National Pan-Hellenic Council (NPHC)

**DASHON WALTON**

**Greetings Blazers,**

This semester has been one to remember featuring our NPHC Greek Weeks. Ending with the men of Kappa Alpha Psi Fraternity inc (April 22-28). Going into finals week, we will be premiering one of our most anticipated videos called "Welcome To The Yard". The video will display the councils versatility and show how much we love being apart of our chapters. On behalf of NPHC I would like to invite all VSU blazers to come support our social and community service events.

## Multicultural Greek Council (MGC)

**KAY CAVENDER**

As the semester comes to a close, this marks the first year of the Multicultural Greek Council on our Campus. It has been a truly awe-inspiring experience watching the growth of our Chapters and Council lay a foundation so that more Multicultural Chapters can one day join us. Our semester concluded with our Inaugural Awards Banquet, "Una Noche De Familia". During this banquet we swore in our newly elected 2018 -2019 executive board and gave out various awards. During this banquet we also raised money for our Council Educational Scholarship. We were able to award a phenomenal young woman \$200. She will be attending VSU in the Fall. We will be taking the summer to transition our new Executive Board and plan for the upcoming year. They will officially take office on June 1st. Our main focus for the next year is finalizing our foundation and focusing on upholding our council values and MGC expansion. We would like to fully thank other Councils and individual Chapters that have supported our endeavors and hope that the entire Greek community continues to put in a genuine effort of Greek unity by becoming more immersed in our own campus community.

## Chi Omega

As the semester is coming to a close, Chi Omega continued to make a lot of great memories. To start things off we had a lot of fun, hanging out with our Panhellenic sisters at 2 different events! The first event was with the amazing ladies of ADPI and Phi Mu, we listened to Katie Bulmer speak about how sorority women can change the world. We also enjoyed a chacos and tacos Sisterhood with the fun ladies of ADPI. This month Chi Omega celebrated 123 years of sisterhood on April 5th. We had our Wish Week to raise money for Make A Wish Georgia, and we were so excited to see a lot of campus and Greek life participation.

Chi Omega was so blessed to initiate 3 new beautiful sisters into our sisterhood! We kept the excitement rolling through as our Step team got to show their skills in the CPC Step Show and brought home 1st place for the 2nd year in a row! Chi Omega also had the privilege to honor our Parents at our annual Parents' Weekend. It was a great time showing our parents how much we appreciate them. Our sisters enjoyed our annual Carnation Ball this past weekend at Gin Creek. It was a beautiful night full of dancing! Lastly we wrapped up the month with many accomplishments from both the Greek Awards

Banquet and the Student Life Night on Fire Awards Banquet. Chi Omega received Chapter of Excellence and Community Service Project of the Year. We also had individual sisters honored for their hard work including: Maddie Pittman as CPC New Member of the year, Morgan Young as Volunteer of the Year, and Belinda Bell as Greek Achiever of the Year and Blazer Leader of the Year. It's been a great semester for Psi Lambda and we can't wait for what is to come in the Fall!

This semester has FLOWN by for the ladies of Alpha Delta Pi, we have had a month filled with fun memories and accomplishments. Our step team worked so hard and had a blast performing in the CPC step show for Circle of Sisterhood. We enjoyed getting to spend time with the sisters of Chi Omega at our, "Chaco's and Taco's sisterhood," and also had a ball at our, "Derby Down South," spring formal.
