PLANETARIUM SHOWS

Show Synopsis: While attending a local star party, two young students learn how the telescope has helped us to understand our place in the Universe. Two Small Pieces of Glass traces the history of the telescope from Galileo's 1609 spyglass (composed of two small pieces of glass) to the launch of the Hubble Space Telescope and the future of observational astronomy. It explores the wonder and discovery made by astronomers throughout the last four centuries. Each show is limited to 40 persons and is 25 minutes in length. The shows will fill on a first-come first-served basis.

FACULTY EXHIBITION - FALL 2022

Fresh Start is an exhibition by Valdosta State University Department of Art & Design faculty. This is a yearly endeavor that highlights our faculty in their current art practices as well as illustrates their diverse and at times transitional media pursuits.
