

## Dear Prospective Partner:

The Office of Career Opportunities is committed to addressing the challenges of the changing economy, globalization, and the use of technology in the job search process. We provide holistic and comprehensive career development services designed to equip one with the necessary skills needed to independently manage their career upon graduation and beyond. We achieve this by collaborating with our partners – in our case, VSU students and alumni, employers, faculty and staff, and community partners. I invite you to partner with our team as we are always looking to form new partnerships.

**Dr. Gerald A. Williams, Jr.**  
Director

## Meeting Your Needs

---

We offer the following placement services to employers at **NO CHARGE**.

### Listing Vacancies

Employers are encouraged to list part-time, full-time, internship, coop, or seasonal openings at any time by email, fax, telephone, or mail.

### On-Campus Recruiting

We will make arrangements for you to meet individually with students to discuss part-time, full-time, coop, and internship positions.

### Resume Referral Service

We will advertise your job openings, collect resumes, and forward them to you for your review.

### Information Sessions/Class Presentations

We will arrange meetings with appropriate faculty and student groups if you wish to discuss your organization and hiring needs.

### Cooperative Education—Internships

We can help you connect with students seeking internships or cooperative education experiences through campus interviewing, resume referrals, and job postings.

### Career Development Seminars/Mock Interviews

Connect with our students. Recruiters are invited to conduct career seminars on topics such as interviewing, resume development, and job search strategies. Our students also benefit from participating in mock interviews with recruiters.

### On-Line Resume Database

Employers can access College Central Network (CCN) for FREE. CCN is a centralized job posting and resume database system to link employers to university students and graduates.

### Part-Time/Full-Time Employment

Part-time and full-time jobs are posted on the Jobs Board at Career Opportunities. Students are encouraged to come by and view these listings.

*"As a fairly new employer to the Southeast Region, PLS Logistics has partnered with Valdosta State for just over a year. In that short period of time we have welcomed several Blazer graduates to our team who are essential to PLS' company culture and growth initiatives. We are optimistic about our partnership with VSU and our ability to provide respected career opportunities to the Blazer Nation now and in the future."*

Stephen Flynn

Talent Acquisition Specialist, PLS Logistics

*"In my experience, Valdosta State is a great university for recruiting prospective employees. I always receive a warm reception from the faculty, staff, and students when visiting the campus. When I schedule speaking engagements, campus visits or career fairs, the faculty and staff are accommodating, courteous and professional. Valdosta State is truly dedicated to providing a productive and pleasurable recruiting experience for all those involved."*

Jennifer Franklin

Corporate Recruiter, Sanderson Farms, Inc.

# Office of Career Opportunities

## Mission Statement

The Office of Career Opportunities provides career development and awareness, experiential learning/cooperative education, and professional employment opportunities for undergraduate and graduate students and alumni. The Career Opportunities staff collaborates with our employer and community partners to develop the employment potential of our students and graduates as well as utilize their innovative, intellectual talents.
