

3-Minute Video Competition

26th Annual

Undergraduate Research Symposium

Sponsored by the

Undergraduate Research Council

Valdosta State University

April 06-10, 2020

WHAT: The Undergraduate Research Council (URC) of Valdosta State University invites undergraduate students to showcase their original research through the making and presenting of a 3-minute video. While your research may generally take hours to present in full, we challenge you to condense that research into 180 seconds or 3 minutes. The URC encourages students to unleash their creativity in the making of the 3-minute video. The top six student videos will be chosen by the URC to be presented live at the 26th Annual Undergraduate Research Symposium in April 2020.

RULES:

- Video can relate to a creative work or performance, research paper, senior thesis, laboratory project, or field research project.
- The video should clearly note your research question or topic and should summarize your key findings or discoveries. A lay audience should be able to understand the finished result.
- Students must abide by all local, state, and federal laws along with all VSU rules and guidelines in the making of the videos.

ENTRY:

- Students must submit a YouTube link of their 3-minute video to:
undergraduateresearch@valdosta.edu
- Students are responsible for completing an electronic version of the abstract submission form at:
<https://www.valdosta.edu/urc/abstract-submission-form.php>
- Detailed directions can be found at:
<https://www.valdosta.edu/academics/graduate-school/urc/three-minute-video-research-competition.php>
- If students would like assistance with their videos the New Media Center will help with the filming and editing process.

WINNERS:

- Three winners will be chosen by Judges and audience participation at the April 2020 Symposium, winners will be highlighted on the Undergraduate Research Council website.

IMPORTANT DUE DATES:

- Abstract Submission Form02/21/2020
- Completed Video to Undergraduateresearch@valdosta.edu.....03/13/2020

Call for Proposals

26th Annual Undergraduate Research Symposium

WHO: For additional information, visit our website at www.valdosta.edu/urc/ or contact your departmental or program representative on the Council:
